

Profession / Specialisation: Watershed Management, Surface Water Hydrology Major
Job Title: Professor & Head, Department of Hydrology

Professional and Educational Qualifications

PhD Hydraulics & Water Resources Engineering	Indian Institute of Technology, Roorkee	2002
M. Tech. Soil and Water Engineering	J.N.K.V.V. Jabalpur	1988
B. Tech. Agricultural Engineering	J.N.K.V.V. Jabalpur	1986

Research interests and expertise

Watershed Modelling & Management, Soil Erosion and Sediment Transport Modelling, Remote Sensing and GIS Applications in Hydrology and Watershed Management, Surface Water Hydrology, Spatial data Analysis using Image Processing and GIS, Long term Water Resources Management and Modelling, Drought Studies.

Summary of Professional Expertise

Dr Jain has more than 29 years of teaching/research experience in the field of Hydrology & Water Resources Engineering. He has supervised over 8 PhD and 48 MTech theses. He has extensive experience of leading and completing many research and consultancy projects both nationally and internationally. His teaching activities include Hydrologic Elements and Analysis; Planning and Management of Watersheds; Watershed Behaviour and Conservation Practices; Forests and Agricultural Hydrology; Engineering Hydrology; Irrigation and Drainage Engineering; Experimental Hydrology. He has also developed the watershed hydrology laboratory.

He has published many papers in various national & international journals of repute, national and international conferences and published several technical reports.

Employment History

2018	-	Present	Professor & Head, Department of Hydrology, Indian Institute of Technology Roorkee
2012	-	2018	Associate Professor, Indian Institute of Technology Roorkee
2006	-	2012	Assistant Professor, Indian Institute of Technology Roorkee
2002	-	2006	Scientist E1, National Institute of Hydrology Roorkee
1996	-	2001	Scientist C, National Institute of Hydrology Roorkee
1990	-	1995	Scientist B, National Institute of Hydrology Roorkee

Work Experience

2018	-	Onwards	ET-NFP for WMO RTC Roorkee
2019	-	2022	PI, Real-Time Discharge Estimation using non-contact Hydrometric Measurements, Ministry of Earth Science, Govt. of India.
2018	-	2019	Co-PI, Technical Study (PMF, back water and other hydrological studies) on Polavaram case matter, Department of Water Resources, Govt. of Odisha
2017	-	2020	PI, Lead Time Inflow Estimation for Reservoir Operation during Monsoon, Dam Rehabilitation and Improvement Project, CWC, Ministry of Jal Shakti, Govt. of India.
2016	-	2017	PI, Academic and Governance Planning for up-gradation of River Research Institute, West Bengal to Degree Awarding Institute, EdCIL India Limited, Sector 16A, Noida.

2013	-	2018	PI, Strengthening the S & T Infrastructure to meet Emerging Challenges in the field of Hydrology, Department of Science and Technology, Govt. of India.
2012	-	2016	Hydrological modeling using upscale physical (UP) model for river system of Andhra Pradesh and establishment of stage discharge relationship, AP State Disaster Mitigation Society, Govt. of Andhra Pradesh.
2012	-	20014	Co-PI, Planning for optimal development of ground water in coastal sand dune pockets of Orissa, Directorate of ground water survey & investigation, Bhubaneshwar, Orissa, PDS under World Bank Funded Project.
2011	-	2013	Co-PI, Study of Impact of River/Khad bed Mining on Water Resources (Water winning structures) & Evolution of policies & guidelines to prevent adverse impact, Himachal Pradesh Irrigation & Public Health Department, PDS under World Bank Funded Project.
2010	-	2011	Landuse Mapping for Lao PDR using Remote Sensing Satellite data, NLMA, Vientiane Capital City, Lao PDR.
2009	-	2012	PI, Integrated Hydrological Appraisal of Dabka-micro watershed: Surface runoff and spring flow modelling, Department of Science and Technology, Govt. of India.
2007	-	2012	Co-PI, Identification of vulnerable areas in Himalayan watersheds, INCOH, MoWR, Govt. of India.
2004	-	2008	PI, Integrated Hydrological study for Sustainable Development of two Hilly Watersheds in Tehri Garhwal, Department of Science and Technology, Govt. of India.

Training Experience

2019	Training programme on 'Water Resources Management', 2 programs of 3 week duration each for working engineers from different African countries, East & Southeast Africa Division, MEA, Govt. of India.
2019	Hydrologic and hydraulic methods of flood routing" training to Dam Rehabilitation & Improvement Project (India)
2019	River discharge estimation using non-contact hydrometric techniques" training sponsored by Ministry of Water Resources, RD&GR (India National Hydrology Project).
2019	Conventional and advanced hydrometric techniques for discharge estimation" training to Dam Rehabilitation & Improvement Project (India).
2018	State of the art hydrometric data acquisition and transmission networks" training sponsored by Ministry of Water Resources, RD&GR (India National Hydrology Project).
2017	Emerging hydrometric techniques for discharge estimation and rating curve development" training sponsored by Ministry of Human Resource Development (India).
2014	One-week training to field engineers and academicians on "Spatial Data Processing using ERDAS and ArcGIS", NLMA, Vientiane, Lao PDR.
2014	One-week training to field engineers and academicians on "Drought Vulnerability Analysis", NLMA, Vientiane, Lao PDR.

Memberships of committees, boards, etc.

2013 – Present	Editor, Hydrology Journal of IAH
2018 – Present	Member, Senate, IIT Roorkee
2010 – 2014	Member, Institute Academic Program Committee, IIT Roorkee
2019 – present	Member, Technical Advisory Committee, NIH Roorkee
2013 – 2017	Member, Editorial Board, J. Environmental Management, Springer-Verleg, USA.
2006 – present	Reviewer for many International and National Journals.

Membership of Professional Societies:

2019-Present	Fellow, Institution of Engineers, India (IE)
2015-Present	Fellow, Indian Water Resources Society (IWRS)
1995 -Present	Life Member, Indian Association of Hydrologists (IAH)
2017-Present	Member, American Society of Agricultural and Biological Engineers (ASABE)
2005-Present	Member, International Association of Hydrological Sciences (IAHS)
2017-Present	Member, European Geophysical Union (EGU)

Academic Achievements:

❖ <i>Thesis Supervision</i>	Awarded	In progress	Details
Ph.D.	8	4	Annexure-I
M. Tech.	48	2	Annexure-II
❖ <i>Publications</i>	Published	Under review	Details
Research papers in referred journals	62	4	Annexure-III
Papers in conferences/symposia	45		Annexure-IV
❖ <i>Projects</i>	<i>Completed</i>	<i>In progress</i>	<i>Financial outlay (Rs.) Details</i>
Sponsored Research Projects	6	3	429.82 lakh Annexure-V
Consultancy Projects	13	3	246.15 lakh Annexure-VI
<i>Research/Design/Project Reports</i>	37		Annexure-VII
❖ <i>Professional Activities</i>	• Editor, Hydrology Journal of IAH • Member, Editorial Board, J. Environmental Management, Springer-Verleg, USA • Reviewing manuscripts for • J. Hydrology, Elsevier • J. Hydrologic Engineering, ASCE • Water Resources Research, AGU • Science of Total Environment • Hydrology Research • Achieves of Agronomy • J. Environmental Management, Springer • Hydrological Sciences J. • Hydrological Processes • Water Resources Management, Springer		
❖ <i>Honours/Awards:</i>	• Certificate of Honors, JNKVV, Jabalpur. • University Gold Medal, JNKVV, Jabalpur • Jindal Gold Medal, JNKVV, Jabalpur		

Details of doctoral thesis supervised

Sl. No.	Title	Year awarded	Name of Scholar	Co-supervisor (if any)
1.	Formulation and Validation of Hybrid Conceptual Models for Runoff Generation	2018	Ajay Ahirwar	Dr. M. Perumal
2.	Objective Assessment of Indices and Vulnerability to Drought	2014	Vinit Jain	Dr. R.P. Pandey, NIH
3.	Prioritization of Maintenance Management Decisions for Urban Transport Network	2014	Yogesh U. Shah	Dr. S.S. Jain, Dept. of Civil Engg; Dr. Devesh Tiwari, CRRI, New Delhi
4.	Study on Influence of Variable Surface Runoff on Overland Flow	2013	Sunil Panduranga Maske	--
5.	Impact of climate and catchment dynamics on runoff generation	2012	Negash Wagesho Amencho	Dr. N.K. Goel, DoH
6.	Rainfall runoff sediment yield modeling of mountainous watersheds	2012	Soban Singh Rawat	Dr. S.K. Mishra, WRDM
7.	Distributed rainfall-runoff modeling with variable storage using GIS	2011	S. Sarvanan	Dr. Z. Ahmad, Dept. of Civil Engg.
8.	SCS-CN based Long term hydrologic simulation	2010	Dilip G. Durbude	Dr. S.K. Mishra, WRDM

Details of doctoral thesis in progress

Sl. No.	Title	Registration year	Name of Scholar	Co-supervisor
1.	Modelling of runoff and soil erosion under changing climate	2019	Mr. Subhankar Das	--
2.	Climate Change impacts on water resource through catchment Similarity and Hydrological modelling in ungauged basin of Himalayas	2018	Mr. Yogesh Joshi	Dr. A.K. Lohani, NIH
3.	Spatiotemporal Projections of Drought in 21st Century under Climate Change Scenario in India	2015	Mr. Vivek Gupta	--
4.	Hydrologic Regime Alterations and Climate Change Uncertainty on Environmental Flow	2014	Mr. Rahul Kumar Singh	--

Details of master's thesis supervised

Sl. No.	Title	Year awarded	Name of Scholar	Co-supervisor (if any)
1.	Influence of Channel Bed Slope on Entropy Parameter used for Discharge Estimation	2019	Mr. Gurbinder Singh	Dr. Tommaso Moramarco, IRPI, CNR, Italy
2.	Flood Inundation Modeling & Mapping in a Reach of River Jamuna in Bangladesh	2019	Mr. Abdur Rakib	--
3.	Hydrological Modeling of Gilgel Abay River Basin, Ethiopia using SWAT	2019	Mr. Abraham Degu Belay	--
4.	Spatial and Temporal Assessment of Drought in the Krishna River Basin	2018	Ms. Gauranshi Raj Singh	--
5.	Modeling of Runoff and Sediment Outflow from a Basin Using HEC-HMS	2018	Mr. Shekhar Saini	--
6.	Study on the Influence of Bed Roughness on Entropy Parameter	2018	Md. Irfan Anwar	--
7.	Entropy Based Estimation of Discharge in Laboratory Flume	2017	Mr. Rishabh Singh Tomar	--
8.	Comparative Evaluation of HEC-HMS And SRM Model in Simulating Rainfall-Runoff Behavior of Budhigandaki Catchment	2017	Mr. Hari Bahadur Khatri	Dr. Sanjay Jain, NIH Roorkee
9.	Comparative Study on Permanent and Semi-Permanent Sprinkler Irrigation System Design for Onion Crop in the Hilly Lands of Nyagatare District, Rwanda	2017	Mr. Vital Munyandinda	--
10.	Modelling of a River System using Mike-11	2016	Ms. Sabah Parvaze	--
11.	Rainfall-Runoff modeling of a watershed using SWAT model	2016	Mr. Sanbor Kurbah	--
12.	Evaluating sampling strategies for rainfall simulation studies	2016	Mr. Pravesh Chandra	Dr. Sumit Sen
13.	Continuous Hydrological Modeling using HEC-HMS Conceptual Model	2015	Mr. Waikhom Rahul Singh	--
14.	Environmental Flow Assessment for Various Stretches in the Cauvery Basin	2015	Mr. Sumit Kumar Kawde	Dr. Dilip Durbude, NIH, Roorkee
15.	Hydrological Assessment of Burhnampur with Special Reference to Kundi Bhandara	2015	Mr. Pardeep	Dr. Himanshu Joshi
16.	Estimation of Soil Erosion using Universal Soil Loss Equation (USLE) and GIS	2014	Mr. Daleep Kumar	--
17.	Hydrological Modelling of Vamsadhara River Basin, India using SWAT	2014	Mr. Survey Daman Sharma	--
18.	Long Term Hydrological Simulation using SCS-CN Method	2014	Mr. Samarjeet Debbarma	Dr. Dilip Durbude, NIH, Roorkee
19.	Experimental study of overland flow using advanced hydrologic system	2013	Mr. Shailendra Kumar Kumre	--

20.	Geohydrological and resistivity studies of a Limestone Mine in Coastal Saurashtra	2013	Mr. Prashant Bhakar	Dr. D.C. Singhal; Dr. M. Israil
21.	Runoff and sediment modeling using SWAT in Gumera Catchment, Ethiopia	2013	Mr. Kaleab Habte Michael	--
22.	River Discharge Estimation using Entropy Principles	2013	Mr. Jitendra Kumar Vyas	Dr. M. Perumal
23.	Impacts of Riverbed Mining on Hydrological Regime of Swan River, Himachal Pradesh	2013	Ms. Nishi Rahangdale	Dr. H. Joshi, Dr. D.C. Singhal
24.	Stream flow modeling in the Nacunday river basin (Paraguay, South America) using SWAT model	2012	Ms. Sandra Mongelos	--
25.	Long term hydrological simulation using SCS-CN method	2012	Mr. Nilotpal Debbarma	--
26.	Hydrological Simulation in Dabka Watershed using SWAT model	2011	Ms. Akansha Kushwah	--
27.	Sediment Yield Estimation and Risk Mapping of Nutrient Emission in a Sub-tropical watershed	2011	Mr. Akhilesh Gupta	Dr. Himanshu Joshi
28.	Experimental Investigation of Overland Flow Simulation	2011	Mr. Ajinkya Kemble	Dr. M. Perumal
29.	Experimental investigations for rainfall runoff analysis.	2010	Mr. Ankit Chakravarty	--
30.	Initiation and characterisation of bed load motion	2010	Mr. Rajendra Prasad Gawari	--
31.	Hydrological simulation of Xedone basin using SWAT model	2009	Mr. Phetsamone Khanopphet	Dr. Ranvir Singh, DOH, IIT Roorkee
32.	Hydrological appraisal under missing data conditions	2009	Mr. Diganta Sarmah	--
33.	Snowmelt runoff modeling in Chenab basin using remote sensing and GIS	2009	Mr. Harsh Jindal	Dr. Sanjay Jain, NIH Roorkee
34.	Evaluation of the conceptual basis of the Clark and Nash models	2009	Mr. Jainet PJ	Dr. M. Perumal, DOH IIT Roorkee
35.	Rainfall runoff modeling of a hilly catchment	2009	Mr. Prabhat K. Bhatt	--
36.	Soil erosion hazard modeling of Namngen watershed, Lao PDR	2009	Mr. Kaona Boupaha	--
37.	Hydrological studies for small watershed in India using ANSWERS model	2008	Ms. Deepti Joshi	--
38.	Multi objective hydrological modeling of watershed using SWAT-2005	2008	Mr. Vinit Kumar Jain	--
39.	Identification of critical erosion prone area for watershed prioritization using GIS and remote sensing	2008	Mr. Devjyoti Das	--
40.	Simulation of Flood Flows using GIS	2008	Ms. Sweta Gaur	--
41.	Surface hydrologic appraisal of a natural catchment	2008	Mr. Sunil Bagde	Dr. BS Mathur, DOH, IIT Roorkee.
42.	Hydrologic simulation of runoff using SWAT model	2007	Mr. Nikhil Kumar	Dr. SK Mishra, WRDM, IIT Roorkee.
43.	Estimation of Soil Erosion and Sediment Yield using GIS	2007	Mr. RB Shah	Dr. SK Mishra, WRDM, IIT Roorkee.

44.	Runoff Simulation using TOPMODEL.	2007	Mr. Gunjan Kumar	Dr. SK Mishra, WRDM, IIT Roorkee.
45.	Modelling of Spring flow using ANN	2006	Mr. Dharani Kumar Penki	Dr. VK Pandey, College of Agril. Engineering, IGAU, Raipur.
46.	Rainfall-runoff modeling using remote sensing and GIS	2005	Ms. Dwi Hari Shanti	Dr. SK Mishra, WRDM, IIT, Roorkee.
47.	Modelling catchment scale soil erosion patterns using remote sensing and GIS	2005	Mr. Deshmukh Sunil Balasaheb	Dr. VK Pandey, College of Agril. Engineering, IGAU, Raipur.
48.	Preliminary Investigations on Soil Moisture Retrieval through Microwave Remote Sensing.	2002	Mr. SS Haider	Dr. UC Kothiyari and Dr. Manoj Arora, Dept. of Civil Engg, IIT Roorkee.

DETAILS OF SPONSORED RESEARCH PROJECTS:

Title	Sponsoring Agency	Amount (Rs. Lakh)	PI or Co-PI	Start date	End date	Co-PI if any
Real-time discharge estimation using non-contact hydrometric measurements	Ministry of Earth Science, New Delhi	88.04	PI	01/2019	12/2022	M.Perumal (co-PI); Sumit Sen (co-PI)
Lead time inflow estimation for reservoir operation during monsoon	DRIP, CWC, MoRW, RD&GR, New Delhi	97.00	PI	11/2017	10/2020	M Perumal (Co-PI); Sumit Sen (Co-PI)
Developing capabilities for hydrological studies	FIST Scheme, DST, New Delhi	94.00	PI	03/2012	12/2018	--
Integrated Hydrological Appraisal of Dabka-micro watershed: Surface runoff and spring flow modelling.	DST, New Delhi	11.36	PI	07/2009	8/2012	DC Singhal (Co-PI)
Identification of vulnerable areas in Himalayan watersheds	INCOH, MoWR, Govt. of India	21.55	Co-PI	01/2007	03/2012	SK Mishra (PI)
Integrated Hydrological study for Sustainable Development of two Hilly Watersheds in Tehri Garhwal (Phase – II)	DST, New Delhi	48.47	PI	2004	2008	--
Integrated Hydrological study for Sustainable Development of two Hilly Watersheds in Tehri Garhwal (Phase – I)	DST, New Delhi	36.90	Co-PI	1998	2003	VC Goel (PI); Sudhir Kumar (Co-PI)
Hydrological study of NTPC Kahalgaon Power Station Area	National Thermal Power Corporation Ltd., New Delhi	10.50	Co-PI	2000	2001	RD Singh (PI); SK Jain; AK Lohani; PK Mohapatra; CC Chatterjee
Developing Capabilities for Hydrological Modelling Using Geomorphologic Parameters	USAID	22.00	PI	1997	2000	Rakesh Kumar (Co-PI)

Details of Consultancy Projects:

Title	Sponsoring Agency	PI or Co-PI	Start date	End date	Co-PI if any
Technical Study (PMF, back water and other hydrological studies) on Polavaram case matter	Department of Water Resources, Govt. of Odisha	Co-PI	06/2018	03/2019	M.Perumal (PI); Sumit Sen (Co-PI)
Water Study and Calculation of per day Effluent Discharge from the plant at Baddi	Baddi Plant shared services leader, P&G, Baddi.	PI	05/2018	12/2018	Brijesh Yadav (co-PI)
Survey for Identifying Bore Well sites within the Premise of Koteshwar Pooling Station	Power Grid Corporation of India Ltd., New Tehri	PI	07/2018	12/2018	Brijesh Yadav (co-PI)
Academic and Governance Planning for up-gradation of River Research Institute, West Bengal to Degree Awarding Institute	EdCIL India Limited, Sector 16A, Noida.	PI	06/2016	05/2017	--
Hydrological modeling using upscale physical (UP) model for river system of Andhra Pradesh and establishment of stage discharge relationship.	AP State Disaster Mitigation Society, Govt. of Andhra Pradesh.	PI	06/2012	06/2016	M Perumal
Delineation of waterlogged and salt affected area in the coastal tract of Orissa	Directorate of ground water survey & investigation, Bhubaneshwar, Orissa	Co-PI	06/2012	05/2014	H Joshi (PI); DS Arya; DC Singhal
Planning for optimal development of ground water in coastal sand dune pockets of Orissa	Directorate of ground water survey & investigation, Bhubaneshwar, Orissa	Co-PI	06/2012	05/2014	H Joshi (PI); DS Arya; DC Singhal
Detailed hydrological study of Adityana limestone and marl mines of M/S Saurashtra Cement Ltd.	Saurashtra Cement Ltd., Ranavav, Gujarat.	PI	04/2012	12/2013	DC Singhal; M Israil
Study of Impact of River/Khad bed Mining on Water Resources (Water winning structures) & Evolution of policies & guidelines to prevent adverse impact	Himachal Pradesh Irrigation & Public Health Department	Co-PI	11/2011	11/2013	H Joshi (PI), DC Singhal
Landuse Mapping for Lao PDR using Remote Sensing Satellite data	NLMA, Vientiane Capital City, Lao PDR	PI	03/2010	06/2011	--
Study of Flood Plain Demarcation of the Selected site for setting up a 2X250 MW coal based thermal power plant of Himachal EMTA Power Ltd. at Raniganj, District – Burdwan, West Bengal.	Himachal EMTA Ltd., Kolkata	Co-PI	03/2010	01/2011	M Perumal (PI); H Joshi
Water Availability Study of River Damodar (West Bengal Stretch) at the intake point of the proposed 2X250 MW coal based thermal power plant of Himachal EMTA Power Ltd. at Raniganj, District – Burdwan, West Bengal.	Himachal EMTA LTD., Kolkata	Co-PI	01/2010	06/2010	H Joshi (PI); DK Shrivastava

Review of hydrological studies for Tehri dam project using inflow series from 1940 to 2006	THDC Ltd., Rishikesh	Co-PI	05/2009	06/2009	NK (PI); Arya	Goel DS
Review of hydrological studies for Tehri project	THDC Ltd., Rishikesh	Co-PI	01/2008	06/2008	NK (PI); Mathur; Arya	Goel BS DS
Review of hydrological aspects of Tato-II & Siyom hydro-electric projects	Reliance Energy Ltd., New Delhi	Co-PI	01/2008	10/2008	NK (PI); Arya	Goel DS
River migration, design flood and scour depth studies in CAIRN BSPL pipeline project	L & T Ltd., New Delhi	Co-PI	02/2008	12/2008	NK (PI); Arya	Goel DS

Review/Research/Design/Feasibility Reports Completed:

1. Jain, M.K. and Yadav, B.K. (2018). *Validating Water Saving Measures taken by Proctor & Gamble Plant Baddi, Himachal Pradesh*. Final project report. Submitted to P&G Ltd., Baddi, Himachal Pradesh.
2. Jain, M.K. (2017). *Academic and Governance Planning for upgradation of River Research Institute, West Bengal to degree awarding Institute*. Final project report. Submitted to EdCIL India Limited, Sector 16A, Noida.
3. Jain, M.K. and Perumal, M. (2016). *Hydrological modelling using upscale physical (UP) model for river system of Andhra Pradesh and establishment of stage discharge relationship*. Final project report. Submitted in three volumes to AP State Disaster Mitigation Society, Govt. of Andhra Pradesh.
4. Joshi, H. Arya, D.S. Singhal, D.C. and Jain, M.K. (2014). *Delineation of waterlogged and salt affected area in the coastal tract of Orissa*. Final project report. Submitted to Directorate of ground water survey & investigation, Bhubaneswar, Orissa.
5. Joshi, H. Arya, D.S. Singhal, D.C. and Jain, M.K. (2014). *Planning for optimal development of ground water in coastal sand dune pockets of Orissa*. Final project report. Submitted to Directorate of ground water survey & investigation, Bhubaneswar, Orissa.
6. Jain, M.K. and Singhal, D.C. and Israil, M. (2013). *Detailed hydrological study of Adityana limestone and marl mines of Saurashtra Cement Ltd.* Final project report. Submitted to Saurashtra Cement Ltd., Ranavav, Gujarat.
7. Joshi, H. Singhal, D.C. and Jain, M.K. (2013). *Study of Impact of River/Khad bed Mining on Water Resources (Water winning structures) & Evolution of policies & guidelines to prevent adverse impact*. Final project report. Submitted to Himachal Pradesh Irrigation & Public Health Department, Una, H.P.
8. Jain, M.K. (2011). *Landuse Mapping of Lao PDR Using Satellite Remote Sensing*. Final project report. Submitted to National Land Management Authority, Vientiane, Republic of Lao PDR.
9. Perumal, M., Jain, M.K. and Joshi, H. (2011). *Study of Flood Plain Demarcation of the selected site for setting up a 2X250 MW coal based thermal power plant of Himachal EMTA Power Ltd. at Raniganj, District – Burdwan, West Bengal*. Final Project report. Submitted to Himachal EMTA Power Ltd., Kolkata.
10. Goel, N.K., Mathur, B.S., Arya, D.S. and Jain, M.K. (2009). *River migration, design flood and scour depth studies in CAIRN BSPL pipeline project*. Final Project report submitted to L & T Ltd., New Delhi.
11. Goel, N.K., Mathur, B.S., Arya, D.S. and Jain, M.K. (2009). *Review of Hydrological Studies for Tehri Dam*. Final report submitted to THDC, Rishikesh.
12. Mishra, S.K. and Jain, M.K. (2011). *Identification of vulnerable areas in Himalayan watersheds*. Final project report, submitted to INCOH, MoWR, New Delhi.
13. Jain, M.K. (2004). *A GIS based distributed rainfall runoff model*. Technical Report, National Institute of Hydrology, Roorkee.
14. Jain, M.K. (2001). *Estimation of Temporal Variation of Sediment Yield using GIS*. Technical Report, National Institute of Hydrology, Roorkee.

15. **Jain, M.K.** (2001). *Rainfall Runoff Modelling of Kolar Basin using WMS*. **Technical Report National Institute of Hydrology, Roorkee.**
16. **Jain, M.K.** (2000). *Estimation of Soil Erosion and Sediment Yield in Karso Catchment using ANSWERS Model*. **Technical Report National Institute of Hydrology, Roorkee, Report No. CS/AR-22/1999-2000.**
17. Senthil, A.R.K., **Jain, M.K.**, Jain S.K. and Agarwal P.K. (1999). *Development of a Distributed Catchment Model*. **Technical Report National Institute of Hydrology, Roorkee, Report No. TR/BR-16/98-99.**
18. **Jain, M.K.** (1998). *Geomorphological & Landuse Planning for Danda Watershed (Tehri Garhwal District, U.P.)*. **Technical Report National Institute of Hydrology, Roorkee, Report No. CS(AR)-29/97-98.**
19. **Jain, M.K.** (1997). *Watershed modelling with GIS based distributed unit hydrograph approach*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-8/97-98.**
20. **Jain, M.K.** (1997). *Soil Erosion and Sediment Yield Modelling using Kinematic Wave in GIS Environment*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(BR)-2/97-98.**
21. Venkates, B and **Jain M.K.** (1997). *Application of TOPMODEL to Malaprabha catchment*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-3/97-98.**
22. **Jain, M.K.** (1997). *Watershed Modelling with GIS based Distributed Unit Hydrograph Approach*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-8/97-98.**
23. **Jain, M.K.** (1996). *GIS based rainfall runoff modelling for Hemavathy catchment*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-22/96-97.**
24. **Jain, M.K.** (1996). *Rainfall runoff modelling of Ramganga at Chaukhutia using RAINFLO model*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-199.**
25. **Jain, M.K.** (1996). *Estimation of soil erosion and sediment yield using GIS*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-35/96-97.**
26. **Jain, M.K.** and Singh U. K. (1995). *Fluvial geomorphological characteristics of four sub-basins of upper Narmada*. **Technical Report National Institute of Hydrology, Roorkee Report No. CS(AR)-159.**
27. **Jain, M.K.** (1995). *Rainfall runoff modelling of upper Narmada basins using a geomorphological technique*. **Technical Report National Institute of Hydrology, Roorkee, Report No. CS(AR) 201.**
28. **Jain, M.K.** (1994). *Geomorphological characteristics of Narmada (upto Manot) basin*. **Technical Report National Institute of Hydrology, Roorkee, Report No. CS(AR)-128.**
29. **Jain, M.K.** (1994). *Daily runoff simulation of Hemavati at Sakleshpur using 4X4 Tank model*. **Technical Report National Institute of Hydrology, Roorkee, Report No. CS(AR)-133.**
30. **Jain, M.K.** (1994). *Application of WAHS model to Kolar sub-basin*. **Technical Report National Institute of Hydrology, Roorkee, Report No. CS(AR)-136.**
31. **Jain, M.K.** (1994). *A distributed hydrology-vegetation model for complex terrain*, **Training report, Developing Capabilities for Hydrological Studies, United Nations Development Program, National Institute of Hydrology, Roorkee.**

32. **Jain, M.K.** (1993). *Rainfall runoff modelling in Mountainous catchments*. Status report, Developing Capabilities for Hydrological Studies, United Nations Development Program, National Institute of Hydrology, Roorkee.
33. Haque, M.E., **Jain, M.K.** and Rakesh Kumar, (1993). *WAHS model: Application to Indian Catchments*. USAID project on Developing Capabilities for Hydrological Modelling Using geomorphological Parameters, draft report, National Institute of Hydrology, Roorkee.
34. **Jain, M.K.** (1992). *Geomorphology of Sabarmati upto Dharoi*. Technical Report National Institute of Hydrology, Roorkee, Report No. TR-138.
35. **Jain, M.K.** (1991). *Geomorphological Characteristics of Western Ghats, Part III Hemavati upto Sakleshpur basin*. Technical Report National Institute of Hydrology, Roorkee, Report No. TR-127.
36. **Jain, M.K.** (1991). *Application of WAHS model to Hemavati upto Sakleshpur basin*. Technical Report National Institute of Hydrology, Roorkee, Report No. CS-90.
37. **Jain, M.K.** (1990). *Application of HEC-1 to Hemavati (upto Sakleshpur) basin*. Technical Report National Institute of Hydrology, Roorkee, Report No. CS - 55.
