Professor

Qualification: Ph.D. (University of Roorkee, India)

Areas of Interest: Computational Electromagnetics, Numerical Solutions of Apertures in Wave Guides & Microstrip Lines, Analysis and Design of Printed Antennas

Brief Bio-data:

Born in 1948 at *Dehradun* (Uttaranchal, India), Dr. Sinha received his ***B.E. (Electronics & Communication), M.E. (Microwaves & Radar)*** and ***Ph.D.*** degrees from ***University of Roorkee*** in 1972, 1974 and 1984, respectively. In ***1974***, he joined this department as Lecturer and is presently a Professor.

During the last 25 years, he has been actively involved in the curriculum development for UG/PG students, as well as, in the development of various laboratories, especially the microwave laboratories in the department. He has also been actively associated with several research projects sponsored by DRDO, CSIR, UGC, DOE, and ISRO in the area of computational electromagnetics and antennas.

Dr. Sinha is a Senior Member of IEEE, USA. He is also a Fellow of Institution of Engineers, Fellow of Institute of Electronics and Telecommunication Engineers and Member of Indian Institute of Public Administration.
