

Dr. Tanuja Srivastava

Designation: Professor

Department: Department of Mathematics ,
Indian Institute of Technology,
Roorkee - 247667.
INDIA

Educational Qualification:

M. Sc., Dept. of Mathematics, Indian Institute of Technology, Kanpur

Ph.D., Dept. of Mathematics, Indian Institute of Technology, Kanpur

Research Interest:

Image Processing, Computerized Tomography, Reconstruction Error Analysis, Convolution Backprojection Algorithm, Statistical Modelling & Inference, Statistical Imaging and Robotics Vision.

Professional Recognition, Awards & Fellowship Received:

A. International Awards:

- 1995 **Jacob Wolfowitz** Prize for Theoretical Advances in Management Sciences, by **American Journal of Mathematical & Management Sciences**.
- Judge for **T. L. Saaty and J. Wolfowitz** prize for **AJMMS, USA**.

B. National Award:

- **Career Award** for Young Teachers by **All India Council of Technical Education (AICTE)**.
