

Asstt. Professor

Qualification : M. Sc. , Ph.D.

E-mail address : yadavfma@iitr.ernet.in

Areas of interest : Operations Research, Optimal Control Theory, Numerical analysis,
Fuzzy mathematics

BIODATA

No. of Ph.D. guided : 02

No. of M.Phil guided : 04

No. of M.Sc. guided : 04

No. of Ph.D. guiding : 02

No. of M.Sc. guiding : 02

Recent Research Papers :

1. "Penalty method for an optimal control problem with equality and inequality constraints", Indian J. Pure & appl. Math, 30(1) : 1-14, Jan 1999.
2. "Simultaneous stabilization of a collection of linear systems by linear state feedback control", Accepted for publication in the journal of computers & Electrical engineering, An International Journal
