Item No. 25.5.3: Developments for IIT Mandi (H.P.):

The Board of Governors noted that IIT Roorkee has been given the responsibility by the Government of India to mentor a new IIT at Mandi (Himachal Pradesh). For this purpose, building of old Central Library of IIT Roorkee has been earmarked and renovated to function as IIT Mandi Cell. In order to coordinate various activities related to IIT Mandi, a 5-member coordination committee has been constituted with Dr. S.P. Gupta, Professor of Electrical Engineering as Coordinator. IIT Mandi Cell is functioning similar to a Department.

Initially, the new institute will start with three B.Tech. Programmes in (i) Electrical, (ii) Mechanical and (iii) Computer Science & Engineering. The intake in each branch is 40. The counselling of prospective students has already been done during June 9-16, 2009. First batch of 120 students will join IIT Mandi on 22nd July 2009.

For the new students, teaching will be organized at IIT Roorkee campus in the first year. The lecture classes of the new students will be held in a 120 seats Lecture theatre at IIT Mandi Cell, which is also equipped with a state-of-art computer lab and a library, exclusively for IIT Mandi students. Tutorial and practical classes will be held in concerned departments. Curriculum, course structure, syllabus and Rules and Regulations for 2009-2010 academic year (1st year) are same as that of IIT Roorkee. The teaching of IIT Mandi students will be conducted by the regular faculty of IIT Roorkee. IIT Mandi students will have access to all facilities at par with students of IIT Roorkee. In summary, the new students shall be groomed with the state-of-art facilities of IIT Roorkee.

28 JUL 2009

IIT Mandi students will reside in the campus in an exclusive wing of Rajendra Bhawan (Boys Hostel) and Kasturba Bhawan (Girls Hostel). Boys will be accommodated in double seated rooms exactly similar to the rooms given to IIT Roorkee students and shall be under the care of a separate Residential Warden.

The development of IIT Mandi as a world class institution has also been initiated at Kamand, about 10 km from Mandi town at a picturesque site sprawling over 530 Acres of lush green pine trees with a 'Uhl' river flowing across them. The foundation stone was laid on Feb.24, 2009. In order to transfer the said land for IIT Mandi, following actions have been initiated:

- A Project Report has been prepared giving details of various *Khasra* numbers of land, courses to be taught at IIT Mandi in next 10 years, financial outlay for construction of various buildings etc.
- For transfer of forest land to IIT Mandi, services of a retired Chief Architect of HPSEB, who is based at Mandi and is a Senior Partner of an architectural consulting firm Design Solution Group, is being hired for developing the land use plans.
- An amount of Rs.41500.00 has been transferred to Principal, ITI Mandi as per the request of Joint Director, Technical Education (HP) for demarcating and counting of trees in the forest land to enable speedy completion of the land transfer process.
- Efforts were made to register IIT Mandi as a Society in Himachal Pradesh under Societies Act, which were not successful since the Govt. of Himachal Pradesh has repealed the old Society Act. As per MHRD advice, attempt is now underway to register IIT Mandi as a Society in Uttarakhand.
- The post of Director for IIT Mandi has already been advertised on May 22, 2009. Now 30 posts for faculty and one post of Registrar are being advertised. The process of advertising non-teaching posts is also underway.
