9. Objective:

The superior torque density, speed range, and ruggedness of ac motors as compared to dc motors are achieved by more sophisticated control systems. Energy-efficient wide range control with ac motors may be performed only through frequency and voltage control. However, for fast torque control, required in high performance ac drives, decoupled control of flux current and torque current virtual components of stator current has to be performed. Several control techniques such as Field Oriented Control, Direct torque control and Energy efficient control etc for AC motors are used. Voltage source inverters use to provide variable voltage to AC motors, employ several modulation techniques.

The aim of the present course is to discuss in depth the various advanced control techniques for Power Electronic Controllers used in AC drives. The mathematical model of AC machines for different control techniques will also be discussed.

9. Objective:

FACTS is one aspect of the power electronics revolution that is taking place in all areas of electric energy. In the transmission area, application of power electronics consists of HVDC and FACTS. In the distribution area, *Custom Power*, which incorporates power electronic controllers, enables the delivery of reliable electric service (which is free from significant voltage reductions, voltage distortions and over-voltages) to industrial and commercial customers. In general, FACTS has the principal role to enhance controllability and power transfer capability in ac systems.

The aim of the present course is to familiarize the students with the concept of FACTS, shunt and series compensators, Unified Power Flow Controller (UPFC), control techniques, application of FACTS in HVDC and enhancement of system dynamic and Transient stability.

Appendix 'G'

Recommendations of the committee constituted to reconsider mercy appeals of the students whose registration were terminated during the Spring Semester 2004-2005.

Anshuman Verma, B.Tech. Elect. (970210)

In view of his medical leave and serious illness, Mr. Verma may be allowed to register himself provisionally for the Autumn Semester 2005-06 subject to the approval of the Senate to complete the one course of Management in the Autumn Semester.

An undertaking from the student and fitness certificate from the doctors be obtained by DUGS.

Abhishek Verma, B.Tech. Civil (990104)

The committee considered the mercy appeal and the fact that the candidate did not register for two years (2003-04, 2004-05) due to medical reasons. The student be allowed to register himself provisionally for the Autumn Semester 2005-06, subject to the approval of the Senate. Committee also considered the fact that Mr. Verma was admitted when Medical Leave was not considered in the six year period. Further, he will not be given any more chance.

An undertaking from Mr. Verma and fitness certificate from the doctors be obtained by DUGS.

Mabateye Michael, B.Tech. Mech. (980520)

Mr. Michael's mercy appeal was considered with the plea that he was admitted in 1998 when medical leave was not considered against the six year limit. Therefore, in view of medical illness he may be allowed to register himself provisionally for Autumn Semester 2005-06, subject to the approval of the Senate. Further, he will not be given any more chance.

Shashi Shekhar, B. Tech. E&C (030526)

The committee recommends that the student be allowed to register himself provisionally for the Autumn Semester 2005-06, subject to approval of the Senate due to medical reasons. Further, he may be asked to clear his backlog first.

Vikas Kumar Kaushik, B.Tech. Elect. (020258)

In view of medical reasons the student could not complete the required credits at the end of third year but can complete the programme within the stipulated time (six years) The committee recommends that the student be allowed to register himself provisionally for the Autumn Semester 2005-06 subject to the approval of the Senate. Further, he may be asked to clear his backlog first.

An undertaking from Mr. Kaushik and fitness certificate from the doctors be obtained by DUGS.

Ritesh Kumar, B.Tech. CSE (030820)

The committee considered the case of Mr. Ritesh Kumar in view of his mental state due to the death of his mother and other medical reasons. Committee recommended that the student be allowed to register himself provisionally for the Autumn Semester 2005-06 subject to the approval of the Senate. Further, he may be asked to clear his backlog first.

An undertaking from Mr. Kumar be obtained by DUGS. Above students be informed that in future no mercy appeal will be considered.
