AGENDA/कार्यसूची

| Item No. / मुद्दा सं० | Particulars / विवरण | $\begin{aligned} & \text { Page(s)/ } \\ & \text { पृष्ठ } \end{aligned}$ |
| :---: | :---: | :---: |
| 69.1 | 02.03 .2017 को आयोजित हुई सीनेट की 68 वी बैठक के कार्यवृत्त की पुष्टि करना। <br> To confirm the minutes of the $68^{\text {th }}$ meeting of the Senate held on 02.03.2017. | 1 |
| 69.2 | 02.03 .2017 को आयोजित हुई सीनेट की 68 वी बैठक में लिए गए निर्णयों के कियान्वयन हेतु की गई कार्रवाई की रिपोर्ट प्राप्त करना। <br> To receive a report on the actions taken to implement the decisions taken by the Senate in its $68^{\text {th }}$ meeting held on 02.03.2017. | 2-15 |
| 69.3 | 30 जून तक डिजरटेशन प्रस्तुत करने या डिजरटेशन से संबंधित किसी भी कार्य के लिए, जो भी पहले हो, परिसर में रहने वाले एम. टेक छात्र को फैलोशिप के भुगतान पर विचार करना। <br> To consider the payment of Fellowship to M.Tech. students after submission of dissertation upto June $30^{\text {th }}$ or till the period student stays in the campus for any work related to dissertation, whichever is earlier. | 16 |
| 69.4 | दक्षता की सूची में सिनेमाई अनुभाग को शामिल करने के लिए डीओएसडब्लयू से प्राप्त प्रस्ताव पर विचार करना। <br> To consider the proposal received from DOSW for inclusion of Cinematic Section in the list of proficiencies. | 17 |
| 69.5 | मुख्य सलाहकार, होबीज क्लब से प्राप्त क्लब के कुछ वर्गो के रिनेमिंग करने पर विचार करना। <br> To consider the renaming of some sections of the Hobbies Club received from Chief Advisor, Hobbies Club. | 18 |

| 69.6 | अलग तरह से सक्षम विद्याथियों के पाठ्यक्रम के मूल्यांकन मुददों पर विचार करना। <br> To consider course evaluation issues of differently abled students. | 19 |
| :---: | :---: | :---: |
| 69.7 | सी0जी०पी०ए० से प्रतिशत में परिवर्तन का वर्तमान फॉर्मूला 5.00 से उपलब्ध होने के कारण जिन छात्रों का सीजीपीए 4.00 से 5.00 के बीच है उनके लिए परिवर्तन फॉर्मूले पर विचार करना। <br> To consider the percentage formula for the students who have CGPA between $4.00-5.00$ because the converted formula is available from CGPA 5.00 and onward. | 20 |
| 69.8 | विभिन्न विभागों/ केन्द्रों के संशोधित पाठफयक्रम और अध्ययन विषयवस्तु को स्वीकृत करने के लिए सीनेट द्वारा शक्ति को प्रतिनिधित्व पर विचार करना। <br> To consider to delegate the power by Senate for approving the revised curricula and syllabi of courses of studies for various departments/Centres. | 21 |
| 69.9 | सीनेट मद सं० 68.10 के निर्णय के अनुसार एमटेक से पीएचडी में स्विच ओवर कार्यकम की स्वीकृति में एमटेक कार्यक्रम चल रहे केन्द्रों को शामिल किये जाने पर विचार करना। <br> To consider the decision taken vide Senate Item No. 68.10 with respect to switch-over from M.Tech. to Ph.D. programme: To include centres running M.Tech. programme. | 22 |
| 69.10 | चार विभागों द्वारा अनुशंसित अनुसंधान क्षेत्रों पर विचार करना। To consider the Research Areas recommended by Four Departments. | 23 |
| 69.11 | इलेक्टानिक्स और संचार इंजीनियरिंग विभाग में पीएचडी में प्रवेश के लिए कम्पयुटर साइंस प्रोग्राम में बीटेक + एमटेक पात्रता को अनुमति देने पर विचार करना। <br> To consider for allowing B.Tech. + M.Tech. in Computer Science programme for eligibility of Ph.D. admission in the Department of Electronics \& Communication Engineering. | 24 |
| 69.12 | पीएचडी प्रोग्राम में उम्मीदवारी के लिए अवधि बढ़ानें के प्रस्ताव पर विचार करना। <br> To consider the proposal of increasing the duration for candidacy in Ph.D. programme. | 25 |

| 69.13 | कंसल्टेंसी परियोजना में आरएंडडी कम्पोनेंट में काम करने वाले परोंजक्ट फैलो के पीएचडी में प्रवेश पर विचार करना। <br> To consider the admission of Project Fellows, working in a consultancy project having R\&D component as a Ph.D. research scholar. | 26 |
| :---: | :---: | :---: |
| 69.14 | सीएसआईआर और युजीसी फैलो, जो पीएचडी उम्मीदवार के लिए मूल्यांकन समिति के पुर्नगठन पर विचार करना। <br> To consider re-constitution of the Evaluation Committee for CSIR and UGC fellows who enroll themselves as Ph.D. candidate. | 27 |
| 69.15 | आईआईटीआर एसिस्टेंटशिप के अलावा राष्ट्रीय फडिंग योजनाओं के अर्न्तगत पीएचडी में प्रवेश के लिए रोलिगं विज्ञापन के प्रावधान एवं उसके बाद की प्रकिया पर विचार करना। <br> To consider provision of rolling advertisement for admitting Ph.D. candidates under national funding schemes other than IITR Assistantship and procedure thereafter. | 28 |
| 69.16 | कम्पयूटर साईस और इंज़िनियरिग विभाग द्वारा प्रस्तावित सीएसई में पीएचडी प्रवेश पर निम्न लिखित नये मानदंडों पर विचार करना। <br> 1. कम्पयुटर सार्ईेस और इंजिनियरिंग में एमटेक/एमई/सोफटवेयर इंजिनियरिंग या समकक्ष । <br> 2. विद्युत इंजिनियरिंग में एमटेक/एमई/इलेक्ट्रोनिक्स और संचार इंजिनियरिंग या समकक्ष। <br> 3. कम्पयुटर साईेस और इंजिनियरिंग में एमटेक/एमई/इंफोरमेशन टैक्नोलोजी या समकक्ष । <br> उपयुर्क्त 1,2, और 3 में से कोई एक और कम्पयुटर साईंस/इंफोरमेशन टैक्नोलोजो में गेट/यूजीसी नेट/सीएसआईआर नेट में राष्ट्रीय लेवल स्नातक प्रवेश परीक्षा पास की हो । <br> To consider following new criteria for Ph.D. admission in the CSE as proposed by the Department of Computer Science \& Engineering:- <br> (i) M.Tech./ME in Computer Science and Engineering/ Information Technology/Software Engineering or equivalent. <br> (ii) M.Tech./ME in Electrical Engineering/Electronics and Communications Engineering or equivalent. <br> (iii) B.Tech./BE in Computer Science and Engineering/Information Technology or equivalent. | 29 |

|  | Either one of the above (i), (ii) and (iii) and qualified <br> national level graduate entrance test: GATE/UGC- <br> NET/CSIR-NET in Computer Science/Information <br> Technology. |  |
| :--- | :--- | :---: | :---: |
| 69.17 | अगर परीक्षक आईअटी रूड़की की यात्रा करने की स्थिति में नही है तो <br> पीएचडी वायवा-वोसी स्काईप के माध्यम से कराने पर विचार करना। <br> To consider conduct of viva-voce of Ph.D. candidate <br> through Skype under conditions that examiner is not in <br> a position to travel to IITR. | 30 |
| 69.18 | राष्ट्रीय फंडिगं योजना के तहत महिला वैज्ञानिक के रूप में कार्य करने <br> वाली उम्मीदवार के पीएचडी में प्रवेश पर विचार करना। <br> To consider the admission of candidate for Ph.D. working <br> as Woman scientist under national funding scheme. | 31 |
| 69.19 | पीएचडी डिग्री के संबंध में शोध क्षेत्र का उल्लेख करने वाले प्रमाण पत्र पर <br> विचार करना। <br> To consider the certificate mentioning research area <br> with regard to Ph.D. Degree. | 32-36 |

# Item No. 69.1: To confirm the minutes of the $68^{\text {th }}$ meeting of the Senate held on 02.03.2017. 

The minutes of the $68^{\text {th }}$ meeting of the Senate held on 02.03.2017 were circulated to the members vide e-mail dated 31.03.2017.

The Senate may consider confirming the said minutes.

## Item No.69.2: To receive a report on the actions taken to implement the decisions taken by the Senate in its 68 ${ }^{\text {th }}$ meeting held on $2^{\text {nd }}$ March 2017.

The minutes of the $68^{\text {th }}$ meeting of the Senate held on $2^{\text {nd }}$ March 2017, were circulated to the members vide e-mail dated 31.03.2017. The status of actions taken to implement the decisions of the Senate are as under:

| Item No. | Reference to the Senate minutes | Abstract of the Minutes | Status of action taken |
| :---: | :---: | :---: | :---: |
| $68.3$ <br> ' | Views/comments with reasons received from the various Heads of Departments regarding completion of degree requirement of B.Tech. in $31 / 2$ years instead of 4 years - fees in advance. | The Senate considered the recommendations of IAPC regarding completion of degree requirement of B.Tech. in $31 / 2$ years instead of 4 years and accepted the following: <br> (a) The students having CGPA more than 9.00 at the end of the $2^{\text {nd }}$ year may be considered to be allowed to complete the degree requirement in $3^{1 / 2}$ years. <br> (b) There will be no rescheduling of classes by any department. <br> (c) The project duration will not be relaxed. The student has to start the project in $3^{\text {rd }}$ year spring semester to complete it in one year. <br> (d) The request to complete the degree in $31 / 2$ years will be considered on the merit of the case by the Dean (Academics) on the recommendation of HoD. <br> It was also decided that this provision of completing the degree requirements, one semester before, be extended to other programmes, wherever possible. | Notification No. Acd/4615/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |

| 68.4 | Correction in admission <br> criteria for M.Tech. <br> (Bioprocess Engineering) as <br> proposed by Biotechnology <br> Department. | The Senate considered the correction in admission criteria for M.Tech. (Bioprocess Engineering) as recommended by IAPC and decided to approve the same with minor corrections. | Notification No. Acd/4610/UG-15 dated $10^{\text {th }}$ April 2017 has been issued. |
| :---: | :---: | :---: | :---: |
| 68.5 | Proposal of giving same rank to students having same SGPA for change of branch. | The Senate considered the recommendation of IAPC of giving same rank to students having same SGPA for change of branch and did not accept the same. | Notification No. Acd/4611/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |
| 68.6 | Proposal of students not to grade NCC and other proficiencies. | The Senate considered the recommendation of IAPC not to include grade of NCC and other proficiencies in CGPA calculation and did not accept the same. | Notification No. Acd/4612/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |
| $68{ }_{0}$ | Policy for awarding grade. | The Senate considered the recommendation of IAPC regarding policy of awarding ' O ' grade and after discussion it was decided that a committee be constituted to review the grading system. | A committee under the Chairmanship of Prof. Himanshu Joshi was constituted to review the whole grading system regulations vide Office Memo No. Acd/5242/Misc. 2017 dated $12^{\text {th }}$ June 2017. |
| 68.8 | Research Areas recommended by various Departments/Centres to be printed in the Ph.D. degree. | The Senate considered the Research Areas as proposed by different departments/centres and recommended by IRC, to be printed in the Ph.D. degree. After deliberations decided to approve the same with minor corrections. Further, decided that the research areas of rest of the departments/centres be | Notification No. Acd/4613/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |

|  |  | considered in the next meeting. It was also decided that Dean (Academics) will propose 2 to 3 options of Ph.D. degree formats for the consideration of the Senate. |  |
| :---: | :---: | :---: | :---: |
| 68.9 | Minor change in shortlisting candidates for Ph.D. admission. | The Senate considered the minor changes as recommended by IRC in short-listing candidates for Ph.D. admission and did not accept the same. | No action is required. |
| 68.10 | Proposal of extending M.Tech. to Ph.D. switchover programme to every department. | The Senate considered the recommendation of IAPC of extending switchover from M.Tech. to Ph.D. programme to every department having M.Tech. programme and decided to approve the same. | Notification No. Acd/4614/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |
| $\begin{array}{\|c} 68.11 \\ \text { ' } \\ \text { ' } \end{array}$ | Proposal from Department of Management Studies to include the clause of "need of full time candidature" in the rules of outside Ph.D. supervision. | The Senate considered the proposal from Department of Management Studies and the recommendation of IAPC to include the clause of "Full-Time Ph.D. students of other Institutes/Universities" in the guidelines for supervision of Ph.D. students of other Institutes/ Universities. During discussion several other related issues were raised by the members and after discussion the proposal was not accepted. | No action is required. |
| 68.12 | Modified educational qualification for admission to Ph.D. Programmes at Saharanpur campus. | The Senate considered the proposal of Saharanpur campus and the recommendations of IRC regarding modified educational qualifications for admission to Ph.D. programmes at Saharanpur campus and accepted the same. It was also decided that faculty members of HSS, ECE and MS will be included in the Ph.D. admission selection committee of respective departments at Roorkee campus. | Notification No. Acd/4616/UG-15 dated $11^{\text {th }}$ April 2017 has been issued |
| 68.13 | Minor corrections in the Ph.D. Ordinances \& Regulations regarding | The members were informed that some changes were approved by the then Director as Chairman, Senate regarding thesis evaluation. During discussion, few related | A committee under the Chairmanship of |

|  | thesis evaluation. | issues were raised by the members. After discussion, it was decided that no further changes be made and the entire matter be reviewed by a Committee. | Prof. M. <br> Shrikhande has <br> been constituted  <br> vide Office Memo <br> No.  <br> Acd/5082/Misc.  <br> 2017 dated <br> May 2017 to <br> review the Ph.D. <br> Ordinances 8 <br> Regulations.  |
| :---: | :---: | :---: | :---: |
| $\begin{gathered} 68.14 \\ \text { ' } \\ \text { था } \end{gathered}$ | Revised curriculum structure of M.Tech. programmes as proposed by the Department of Physics. | The Senate considered the revised curriculum structure of existing PG programme and new PG programme as proposed by the Department of Physics and recommended by IAPC and decided to approve the following: <br> 1. M.Tech. (Solid State Electronics Materials) <br> - Revised <br> 2. M.Tech. (Photonics) <br> -New <br> Further decided that the eligibility for the admission in these programmes will be as below: <br> M.Sc. (Physics/Electronics/Applied Physics/Photonics/ Engineering Physics) <br> B.Tech.(Engineering Physics/Electronics/Communication/ Electrical/ Instrumentation/Materials/Metallurgy/ Nanotechnology) | Notification No. Acd/4617/UG-15 dated $11^{\text {th }}$ April 2017 has been issued |

| 68.15 | Proposal of MHRD to join NATIONAL ACADEMIC DEPOSITORY. | The Senate considered the proposal of MHRD to join NATIONAL ACADEMIC DEPOSITORY as recommended by IAPC and decided to approve the same. | Notification No, Acd/4618/UG-15 dated 11th April 2017 has been issued |
| :---: | :---: | :---: | :---: |
| 68.16 | Letter from Department of Physics seeking corrigendum saying that B.Tech. (Engineering Physics) programme involves multi-disciplinary courses and coordinated by the Department of Physics. | The Senate considered the request from Department of Physics seeking amendment in UG Ordinances and Regulations regarding B.Tech. (Engineering Physics) programme as a programme of the Department of Physics. After discussion it was decided that this did not need any change in the UG Ordinances \& Regulations as even now there are few electives taught by engineering departments. In future, with the increase of faculty in engineering departments, core courses may also be shared by engineering departments. | Notification No. Acd/4619/UG-15 dated $11^{\text {th }}$ April 2017 has been issued |
| 68.17 | Proposal of Department of Bio-Technology for exchange of course No. BTN-511 and BTN-524 of M.Sc. Biotechnology programme from autumn semester to spring semester. | The Senate considered the request of Department of BioTechnology and the recommendation of IAPC for exchange of course BTN-511: Computer Applications from Autumn Semester to Spring Semester and BTN-524: Communication from Spring Semester to Autumn Semester of M.Sc. Biotechnology $1^{\text {st }}$ Year and decided to approve the same. | Notification No. Acd/4620/UG-15 dated 11th April 2017 has been issued |
| 68.18 | New and revised courses proposed by Centre of Excellence in Disaster Mitigation \& Management | The Senate considered the syllabi of the following programme core courses and electives as proposed by the Centre of Excellence in Disaster Mitigation and Management and recommended by IAPC. It was decided to approve the same: <br> 1. DMN-610: Industrial Disasters and Safety. | Notification No. Acd/4621/UG-15 dated $11^{\text {th }}$ April 2017 has been issued |

| 68.19 | Recommendations of DAPC <br> of Electrical Engineering <br> Department for exchange of <br> course EEN-211 with the <br> course MT-105 of II Year <br> and the syllabi of new <br> programme electives. |
| :--- | :--- |
| $\mathbf{V}$ | nes |
| 68.20 | Subjects with revised codes <br> received/proposed by the <br> Department of Humanities |

2. DMN-503: Managerial and Legal Aspects of Disasters
3. DMN-608: Man-made and Biological Disasters

It was further decided that an agenda item be brought in the next Senate to delegate this power of the Senate to IAPC.

The Senate considered the proposal of Department of Electrical Engineering as recommended by IAPC of Acd/4622/UG-15 exchanging the courses of B.Tech. (Electrical) $2^{\text {nd }}$ Year as dated $11^{\text {th }}$ April below and decided to approve the same:

| EEN-211: Control <br> Systems | Autumn Semester to Spring <br> Semester |  |  |
| :--- | :--- | :--- | :--- |
| MTN-105: Electrical <br> and Electronic <br> Materials | Spring Semester to Autumn <br> Semester |  |  |

The Senate also considered the syllabi of the following programme electives as proposed by the Department of Electrical Engineering and recommended by IAPC and decided to approve the same:

1. EEN-657: Digital Control of Power Converters
2. EEN-740: Communication Techniques in Smart Grid
3. EEN-741: Control and Management of Smart Grid
4. EEN-742: Power Converter Topologies in Smart Grid

The Senate considered the revised syllabus of the core course and the syllabi of pre-Ph.D. courses as proposed by the

Notification No. Acd/4623/UG-15
dated 11th April

| $\begin{gathered} 1 \\ \infty \end{gathered}$ | \& Social Sciences. | recommended by IAPC. The Senate decided to approve the following: <br> 1. HSN-501: Technical Communication <br> 2. HSN-902: Understanding Personality <br> 3. HSN-903: Advances in Social Psychology <br> 4. HSN-906: Advances in Development Economics <br> 5. HSN-908: Research Methodology in Social Sciences <br> 6. HSN-910: Econometric Methods <br> 7. HSN-911: Research Methodology in Language \& Literature <br> 8. HSN-912: Principles of Literature <br> 9. HSN-913: The Art of Fiction <br> 10. HSN-914: Poetry: Major Trends and Critical Appreciation <br> 11. HSN-916: Sociological Theories <br> 12. HSN-917: Sociology of Indian Society <br> 13. HSN-918: Sociology of Science | 2017 has been issued |
| :---: | :---: | :---: | :---: |
| 68.21 | Programme Elective <br> Courses proposed by the  <br> Department of Electrical  <br> Engineering  <br> category-1 and category-2.  | The Senate considered the following programme electives as proposed by the Department of Electrical Engineering under Category-1 and Category-2 and recommended by IAPC and decided to approve the same: <br> Category-1: <br> 1. EEN-365: Numerical Methods for Electrical Engineering <br> 2. EEN-366: Computational Electromagnetics | Notification No. Acd/4624/UG-15 dated $11^{\text {th }}$ April 2017 has been issued |

|  |  | Category-2: <br> 1. EEN-672: Smart Grid <br> 2. EEN-673: Power Plant Engineering |  |
| :---: | :---: | :---: | :---: |
| 68.22 | The syllabi of the programme elective courses for the students of MBA proposed by Department of Management Studies. | The Senate considered the syllabi of the following programme elective courses for the students of MBA as proposed by the Department of Management Studies and recommended by IAPC. The Senate decided to approve the same: <br> 1. BMN-685: International Economics <br> 2. BMN-686: Investment Valuation <br> 3. BMN-687: Retail Management | Notification No. Acd/4625/UG-15 dated $11^{\text {th }}$ April 2017 has been issued |
| $68.23$ <br> $\bullet$ | Correction in the syllabi of MAN-903: Theory of Differential Equations as L3 T-0 P-0 of 3 credits in place of L-3 T-1 P-0 of 4 credits as approved by the Senate. | The Senate considered the following modifications suggested by the Department of Mathematics and recommended by IAPC for the course MAN-903: Theory of Differential Equations and decided to approve the same. The modified credits and L-T-P loading are given below: | Notification No. Acd/4626/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |
| 68.24 | Syllabi of few courses proposed by the Department of Mathematics to be included in the basket of Pre-Ph.D. courses. | The Senate considered the syllabi of the following courses as proposed by the Department of Mathematics and recommended by the IAPC to be included in the basket of Pre-Ph.D. courses and decided to approve the same: <br> 1. MAN-905: Advanced Statistical Inference <br> 2. MAN-906: Theory of Integro-Differential Equations <br> 3. MAN-907: Regularization Theory for Inverse Problems | Notification No. Acd/4627/UG-15 dated 11 th April 2017 has been issued. |

|  |  | 4. MAN-908: Selected topics on Differential Subordination <br> 5. MAN-909: Selected topics in Geometric Function Theory <br> 6. MAN-910: Theory of Hardy Spaces <br> 7. MAN-911: Selected topics in q- Hypergeometric Series <br> 8. MAN-912: Selected Topics in Nature Inspired Optimization Techniques <br> 9. MAN-913: Sobolev Spaces and Applications <br> 10. MAN-914: Stochastic Partial Differential Equations |  |
| :---: | :---: | :---: | :---: |
| $68.25$ | Academic Calendar for the Academic Session 2017-18. | The Senate considered the proposal of Dean (Academics) to reintroduce mid-semester breaks in both the semesters without extending the semester on either side and decided to approve the same. It was also decided that to maintain the minimum working days, few Saturdays be converted to working days, if required. Accordingly, the Senate considered the Academic Calendar for the Academic Session 2017-18 as recommended by the Academic Calendar Committee and decided to approve the same. | Notification No. Acd/4628/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |
| 68.26 | Award of the Ph.D. Degrees to the students who have completed the requirements for the award of the Ph.D. Degree in various disciplines w.e.f. October 2016 to till date. | The Senate considered the award of the Ph.D. Degrees to the students who have completed the requirements for the same in various disciplines w.e.f. October 3, 2016 till date and approved. | Notification No. Acd/4629/UG-15 dated 11th April 2017 has been issued. |
| 68.29 | Letter F.No. $24-1 / 2016-$ <br> TS.1(sectt.) dated <br> 28.11 .2016 regarding <br> Tuition fee for International  <br> students.  | The Senate considered the letter from MHRD regarding tuition fee for International students and recommendation of the IAPC and decided to approve the following: <br> "The foreign students selected for admission in the IITs through the JEE (Advanced)/GATE examination shall be | Notification No. Acd/4632/UG-15 dated 11 th April 2017 has been issued. |

|  |  | charged annual tuition fee of Rs. 6 lakh per year. They may also be considered for any suitable fellowship." <br> It was also decided that they may be considered for any scholarship at par with Indian students. |  |
| :---: | :---: | :---: | :---: |
| $68.30$ $\stackrel{1}{\sim}$ | Switchover from M.Tech. to Ph.D. programmes for students from NIT Uttarakhand under Teacher Trainee Scheme. | The Senate considered the recommendations of the IRC regarding provision of switching from M.Tech. to Ph.D. programmes for the students of NIT Uttarakhand under Teacher Trainee Scheme and decided to approve the following: <br> Necessary provisions be made in the MoU so that the candidates under this scheme be given TWO years leave for doing the course work both for the M.Tech. and for the Ph.D, if required. In case, the desired modification is not feasible, the MoU be terminated. <br> It was also decided that the candidates having CGPA $\geq 7.500$ as below be given one time exception to switchover to Ph.D. programme: <br> 1. Candidates, who have already completed M.Tech., be allowed to register as part-time Ph.D. candidate w.e.f. spring semester 2016-17 and the course work requirement be waived-off. <br> 2. Candidates, who have completed one semester of M.Tech. dissertation, be allowed to register for Ph.D. as part-time candidate in autumn semester 2017 without any course work requirement after they finish their M.Tech. | Notification No. Acd/4633/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |

|  |  | 3. Candidates, who are in M.Tech. $1^{\text {st }}$ Year be allowed to switchover to Ph.D. without any course work requirement if the CGPA at the end of 1 st Year is more than 8.50 else they will have to complete M.Tech. first and then only they can be admitted in Ph.D. programme. |  |
| :---: | :---: | :---: | :---: |
| $68.31$ | Number of seats in B.Tech./B.Arch./IDD and Integrated M.Sc. for the year 2017. | The Senate considered the letter from MHRD regarding revision of seats in view of minimizing the vacancies in CFTs and the number of vacant seats in various UG programmes in last three years and decided to modify the number of seats. <br> The requests were made on the floor of the house to restart the following programmes of science departments and the Senate decided to approve the same with 20 seats in each: <br> 1. Integrated M.Sc.(Physics) <br> 2. Integrated M.Sc.(Chemistry) <br> It was also decided that these programmes will start from 2017-18 session. | Notification No. Acd/4634/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |
| 68.32 | Proposal of Joint Supervision of Doctor of Philosophy (Ph.D.) | The Senate reconsidered the proposal of Joint Supervision of Doctor of Philosophy (Ph.D.) in view of increasing need for collaborative work as practiced across the world and decided to approve the same. However, not more than two supervisors from the same department will be allowed to supervise the thesis jointly. | Notification No. Acd/4635/UG-15 dated $11^{\text {th }}$ April 2017 has been issued. |

| $68.36$ <br> $\stackrel{\downarrow}{\omega}$ | Panel of Senate's Nominees on the Selection Committees for Group 'A' Academic positions. | The Senate considered the panel of Senate's Nominees on the Selection Committees for Group 'A' Academic positions and decided that the same be approved for the following Departments/Centres: <br> 1. Alternate Hydro Energy Centre <br> 2. Architecture. \&\% Planning Department <br> 3. Biotechnology Department <br> 4. Chemical Engineering Department <br> 5. Chemistry Department <br> 6. Civil Engineering Department <br> 7. Earthquake Engineering Department <br> 8. Earth Sciences Department <br> 9. Computer Science \& Engineering Department <br> 10. Item No. 69.3: To consider the payment of Fellowship to M.Tech. students after submission of dissertation upto June $30^{\text {th }}$ or till the period student stays in the campus for any work related to dissertation, whichever is earlier.

The M.Tech. students are admitted for study for a period of two years which completes by the $30^{\text {th }}$ June. According to MHRD, the Fellowship is also sanctioned for two years which completes by 30th June. Prior to Academic Calendar 201415 , the last date of submission of dissertation was the 30th June but in the Academic Calendar 2014-15, the last date was changed to date of submission of dissertation, which was kept in May.

Now, the request from the M.Tech. students has been received stating that they may be paid Fellowship upto 30th June or till the period the students stay $\&$ work in the campus, whichever is earlier.

It is added that in the case of Ph.D. research scholars, MHRD assistantship is payable to them upto the date of their viva-voce or the end of that semester in which theses have been submitted (in the cases where research scholars stay at the campus for publishing their papers etc.), whichever is earlier. On the same footings, Institute may decide to pay the fellowship to M.Tech. students by the date of viva-voce or any other date up to $30^{\text {th }}$ June (total duration of the course), if they actually stay and work on their research.

Submitted for consideration of the Senate.

Item No. 69.4: To consider the proposal received from DOSW for inclusion of Cinematic Section in the list of proficiencies.

The IAPC in its meeting held on 24.3.2017 considered the proposal received from DOSW for inclusion of Cinematic Section in the list of proficiencies and recommended that Cinematic Section be included as part of the Cultural Council and be also included in the list of proficiencies.

The above recommendation is submitted for consideration and approval of the Senate.

## Item No. 69.5: To consider the renaming of some sections of the Hobbies Club received from Chief Advisor, Hobbies Club.

The IAPC in its meeting held on 31.5.2017 considered the above proposal and recommended the renaming as follows:

| Current Name | Recommended Name |
| :--- | :--- |
| Star Gazing Section | Astronomy Section |
| Electronics Section | No change |
| Web Designing | Software Development Section |

The above recommendation of the IAPC is submitted for consideration and approval of the Senate.

## Item No. 69.6: To consider course evaluation issues of differently abled students.

The IAPC in its meeting held on 31.5.2017considered the course evaluation issues of differently abled students and recommended the following for consideration in the next Senate meeting:
(i) To approve facility of a scribe in the exams (MTE \& ETE) to those students having physical limitation to write (e.g. visual disability), including limitation of speed (locomotor disorder etc.).
(ii) To approve compensatory time of 20 minutes per hour for students requiring services of scribes, and also to those having communication problem (e.g. due to Asperger's syndrome)
(iii) For sake of general awareness of the applicants, to include a paragraph, dedicated to such and other facilities available for PWD students at IITR, in the Admission Brochure and Information Brochure of all UG/PG/Ph.D. programs.
(iv) Assessment of each such student's special needs when admission is offered and then at the time of the Orientation Program after joining the Institute. Accordingly, to approve issuance of a certificate stating special academic needs of each such PwD student e.g. need for scribe $\% /$ or extra time $\% /$ or for large font-size question papers) at the time of her/his admission. The student would show this certificate to each of her/his teachers and would also submit a request (with the copy of this certificate) to the Head of the Department, at the start of each semester so that the needs are taken care of.
(v) To sensitize teaching and non-teaching staff about the needs and difficulties faced by differently abled students.

The instructor should be empowered to adopt suitable evaluation procedure.

The above recommendations of the IAPC are submitted for consideration and approval of the Senate.

## Item No. 69.7: To consider the percentage formula for the students who have CGPA between 4.00 and 5.00 because the converted formula is available from CGPA 5.00 and onward.

The IAPC in its meeting held on 31.5.2017 recommended that the percentage formula being used for CGPA range $5.00-9.00$ may be extended for the CGPA range 4.00-5.00 also. The modified conversion table is given below:

| CGPA | Equivalent percentage of marks |
| :--- | :--- |
| $4.00 \leq C G P A \leq 9.00$ | $10^{*} \mathrm{CGPA}+5.00$ |
| CGPA $>9.00$ | 95.00 |

The above recommendation of IAPC is submitted for consideration and approval of the Senate.

## Item No.: 69.8: To consider to delegate the power by Senate for approving the revised curricula and syllabi of courses of studies for various departments/Centres.

The IAPC in its meeting held on 31.5.2017 recommended that the power may be delegated to IAPC for approving the revised curricula and syllabi of courses of studies.

The above recommendation of IAPC is submitted for consideration and approval of the Senate.

Item No. 69.9: To consider the decision taken vide Senate Item No. 68.10 with respect to switch-over from M.Tech. to Ph.D. programme: To include centres running M.Tech. programme.
68.10: The Senate considered the recommendation of IAPC of extending switchover from M.Tech. to Ph.D. programme to every department having M.Tech. programme and decided to approve the same.

The IRC in its meeting held on 04.7.2017 while confirming the minutes of the $11^{\text {th }}$ IRC meeting held on 02.02.2017, recommended that centers running M. Tech. programme may also be included in M. Tech. to Ph.D. switchover scheme.

The above request for adding centres running M.Tech. programme in M.Tech. to Ph.D. switchover scheme is submitted for consideration and approval of the Senate.

## Item No.69.10: To consider the Research Areas recommended by Four Departments.

The IRC in its meeting held on 04.07.2017considered the departmental recommendations and recommended the same for approval of the Senate. This can be added to the list of already approved Research areas of the Departments.

| S1. No. | Department | Research Areas |  |
| :---: | :--- | :--- | :--- |
| 1. | Earth Sciences | EARTH SCIENCES |  |
| 2. | Disaster Mitigation <br> and Management |  <br> MANAGEMENT |  |
| 3. | CTRANS | TRANSPORTATION <br> SYSTEMS |  |
| 4. | Metallurgical <br> Materials Engg. | METALLURGICAL <br> MATERIALS ENGINEERING |  |

The above is submitted for consideration and approval of the Senate.

Item No. 69.11: To consider for allowing B.Tech. + M.Tech. in Computer Science programme for eligibility of Ph.D. admission in the Department of Electronics 8\% Communication Engineering.

The IRC in its meeting held on 04.07.2017 considered for allowing B.Tech. ${ }^{+}$M.Tech. in Computer Science programme for eligibility of Ph.D. admission in the Department of Electronics \& Communication Engineering and recommended the same for the consideration of the Senate.

The above recommendation is submitted for consideration and approval of the Senate.

## Item No. 69.12: To consider the proposal of increasing the duration for candidacy in Ph.D. programme.

The IRC in its meeting held on 04.7.2017 discussed the issue of duration of candidacy in depth and resolved that the duration should be changed as follows:
a. For Ph.D. students with M.Tech./M.Arch./ MURP/MCA/M. Tech. (Integrated/IDD) or equivalence degree and M.Sc./MA/MBA or equivalent admitted to Science/HSS/Management department: 18 months.
b. For Ph.D. students with B.Tech. or equivalent or M.Sc. degree or equivalent admitted to Engineering discipline: 24 months.

With a rider that last six months shall be devoted to non-course related activities of Ph.D. programme such as comprehensive exam (Written/oral) and research proposal for candidacy.

The above recommendation is submitted for consideration of the Senate.

Item No. 69.13: To consider the admission of Project Fellows, working in a consultancy project having R\&D component as a Ph.D. research scholar.

Senate resolution 64.3 says "fellow selected in consultancy project shall not be considered for Ph.D. programme directly."

The IRC in its meeting held on 04.7.2017 discussed the issue in the light of previous decision of the Senate ( 64.3 above) and the requirement posed by certain Government and non-Government agencies who are not allowed to give sponsored research projects but their work contracts have research component embedded in it.

The IRC recommended that project fellow under SRIC approved Consultancy Projects with R\&D component shall be allowed to register for Ph.D. by following the procedure adopted for IITR Assistantship scheme subject to the condition that the minimum duration of the project at the time of admission is more than one and a half year.

The above recommendation is submitted for consideration of the Senate.

Item No. 69.14: To consider re-constitution of the Evaluation Committee for CSIR and UGC fellows who enroll themselves as Ph.D. candidate for upgradation from JRF to SRF.

The IRC in its meeting held on 04.07.2017 recommended that the committee to evaluate the performance of the candidate working as CSIR/UGC fellow admitted to Ph.D. programme shall consist of SRC committee along with an external expert from CSIR lab (for CSIR fellows) / outside the institute (for UGC fellows).

The above recommendation is submitted for consideration of the Senate.

## Item No. 69.15: To consider provision of rolling advertisement for admitting Ph.D. candidates under national funding schemes other than IITR Assistantship and procedure thereafter.

The IRC in its meeting held on 04.07 .2017 considered the request of rolling advertisement from Science Departments. The IRC took note of the Science Departments and resolved that Academic Office will come out with a rolling advertisement for Ph.D. admissions through research funding schemes other than that with IITR Assistantship. The applications shall be received in the departments and the departments will conduct the interviews on an appropriate date. The list of selected candidates, who will be offered admission in the next academic session, will be sent by the department to the Academic office for further processing. However, such candidates will start working as JRF in the project from the date of selection in the admitting department.

The above recommendation is submitted for consideration of the Senate.

Item No. 69.16: To consider following new criteria for Ph.D. admission in the CSE as proposed by the Department of Computer Science \& Engineering:-
(i) M.Tech./ME in Computer Science and Engineering / Information Technology/ Software Engineering or equivalent.
(ii) M.Tech./ME in Electrical Engineering/Electronics and Communications Engineering or equivalent.
(iii) B.Tech./BE in Computer Science and Engineering/Information Technology or equivalent.

Either one of the above (i), (ii) and (iii) and qualified national level graduate entrance test: GATE/UGC-NET/CSIR-NET in Computer Science/Information Technology.

The IRC in its meeting held on 04.07.2017 recommended to send the request of the department to the Senate for consideration.

The above recommendation is submitted for consideration of the Senate.

Item No. 69.17: To consider conduct of viva-voce of Ph.D. candidate through Skype under conditions that examiner is not in a position to travel to IITR.

The IRC in its meeting held on 04.07.2017discussed the issue of conducting the viva-voce examination of a Ph.D. candidate through Skype and decided that the request for conduct of viva-voce examination through Skype should be considered by Academic Office on case-to-case basis and shall not be the replacement of the existing procedure of the conduct of viva-voce examination.

The above recommendation is submitted for consideration of the Senate.

## Item No. 69.18: To consider the admission of candidate for Ph.D. working

 as Woman scientist under national funding scheme.WThe IRC in its meeting held on 04.07.2017 considered the above issue and recommended that the procedure for the selection of candidate shall be at par with those admitted with IITR Assistantship.

The above recommendation is submitted for consideration of the Senate.

# Item No. 69.19: To consider the certificate mentioning research area with regard to Ph.D. Degree. 

The format (Appendix ' $A$ ') as approved by the Senate in its meeting held on $11^{\text {th }}$ August 2016 could not be used in the Convocation of 2016. The format used in this Convocation (Appendix ' $\mathbf{B}$ ') for the award of degree may be used in future alongwith a separate certificate mentioning research area of the candidate as given at (Appendix ' $\mathbf{C}$ ').

The issue is placed before the Senate for consideration and approval please.

| 69.40 | बीटेक पाठ्यकम में लिंग संतुलन में सुधार के लिए एमएचआरडी से प्राप्त <br> पत्र सं0 24-9/2016-टीएस दिनांक 13.07.2017 को रिपोर्ट करना। <br> To report the letter received from MHRD regarding <br> improving the gender balance in the B.Tech. <br> programmes of IITs. | $164-166$ |
| 69.41 | सामान्य वायवा (ईएएन 310) पाठ्यक्रम के मूल्यांकन के स्वीकृत मोड को <br> रिपोर्ट करना। <br> To report the approved mode of evaluation of the course <br> General Viva (EEN-310). | 167 |

Item No. 69.20 To consider the changes in the provisional certificate to be issued to Undergraduates in line with the New Structure and to report the approved certificates for batch 2017.

The new undergraduate programme structure allows a student to take up courses leading to a minor specialization or to take honours courses. This has necessitated a change in the provisional certificate which is issued to the students after completion of programme requirements and before award of degree.

On the recommendation of Dean Academic Affairs the certificates to be issued to graduating students of batch 2017 were approved by the Chairman, Senate (Appendix 'A').

These formats are presented for the consideration and approval of the Senate for subsequent batches.

## PROVISIONAL CERTIFICATE

This is to certify that<br>YASH AGRAWAL.<br>Enrollment No. 13117078 has passed the final Examination of BACHELOR OF TECHNOLOGY (MECHANICAL ENGINEERING) from this Institute during the session 2016-17 obtaining C.G.P.A 7.672 on a ten paint scale in First Division

## He/She has also completed the requirement for Departmental Honours

 CoursesDated:
ASSISTANT REGISTRAR (AS)

4

Note: The above student has qualified for above award as degree which will be issued in due course. This is only a Provisional Certificate and should not be taken asidegree.
$\qquad$

## PROVISIONAL CERTIFICATE

## This is to certify that <br> ASHUTOSH RUNGTA

Enroilment No. 13112019: has passed the final Examination of

## BACHELOR OF TECHNOLOGY (CHEMICAL ENGINEERING)

from this Institute during the session 2016-17 obtaining

## He/She has also completed the requirement for Minor Specialisation in Computer Science and Engineering

Note: The above student has qualified for above award as degree which will be issued in due course. This is only a Provisional Certificate $3{ }^{3}$. should not be taken as degree.

## Item No. 69.21: To consider the revised Minimum Educational Qualification (MEQs) for JAM 2018

Director, IIT Bombay and Chairman JAM-AB 2018 has sent a letter dated $4^{\text {th }}$ July 2017 requesting the institute to consider the following:
(i) Minimum Educational Qualification (MEQs) should be common for similar programmes offered across all admitting institutes. There should be no restriction based on courses taken at 10+2 level.
(ii) Minimum Educational Qualification (MEQs) for engineering students should be removed and these students be admitted based on their JAM rank only.

The views of the departments are placed as Appendices 'A', 'B', 'C', 'D', 'E' \& 'F'.

Revised MEQs are presented in Appendix ' $\mathbf{G}$ ' for consideration and approval of the Senate.

Dated: Julya, 2017

## MINÚTES OF THE MEETING OF THE DEPARTMENTAL FACULTY COMMITTEE

A meeting of the DFC was held on July 19, 2017 at 4:00 p.m. in the Committee Room of the Department. The following inembers were present:

| 1. Dr. M. R. Maurya | Professor \& Head |
| :--- | ---: |
| 2. Dr. Ravi Bhushan | Member |
| 3. Dr. Anil Kumar | Member |
| 4. Dr. Mala Nath | Member |
| 5. Dr. Bina Gupta | Member |
| 6. Dr. R.K. Peddinti | Member |
| 7. Dr. K.R. Justin Thomas | Member |
| 8. Dr. R. K. Dutta | Member |
| 9. Dr. P. Jeevanandam | Member |
| 10. Dr. Naseem Ahmed | Member |
| 11. Dr. Anuj Sharma | Member |
| 12. Dr. M. Sankar | Member |
| 13. Dr. Paritosh Mohanty | Member |
| 14. Dr. Pallavi Debnath | Member |
| 15. Dr. Tapas Kr. Mandal | Member |
| 16. Dr. H.C. Kandpal | Member |
| 17. Dr. C.N. Ramachandran | Member |
| 18. Dr. Prasenjit Kar | Member |
| 19. Dr. K.K. Sadhu | Member |
| 20. Dr. Debasis Banerjee | Member |

Item No.1: The minutes of the last meeting held on 05.06.2017 were confirmed.
Item No. 2: To consider the letter No.Acd/5347/IAPC-55-56 dated July 03, 2017 received from the office of Dy.Registrar (Academics) regarding recommendation of the subcommittee for admission of exceptional candidates to B. Tech in IITs.

DFC discussed and deliberated on the recommendations of the subcommittee on the above issue and resolved that JEE has much wider international recognition and admission through JEE is better than any other test like SAT. Opening to admission by any other channel may severely harm the spirit of the JEE.

Item No. 3: To consider the letter from GATE/ JAM letter No.lITR /JAM/MEQ/2017-18 dated $7^{\text {th }}$ July 2017 received from the office of Chairman, GATE-JAM 2018.

DFC discussed and agreed to drop compulsory mathematics at $10+2$ level form the Minimum Educational Qualification (MEQ) for students appearing in JAM 2018 for Chemistry.

However, DFC did not feel competent to make any comments on the MEQ for engineering students appearing in JAM 2018 as the department did not deal in the past with such cases.

Contd... 2

Item No. 4: To consider the letter No.DFP(Ping)/Grant/2017-18/446/04 dated 5.7.17 received from the office of Dean, Finance \& Planning.

DFC deferred this issue for the next meeting. OCs of different laboratories (B. Tech., M. Tech., M.Sc. and Integrated M. Sc.) were requested to prepare the list of requirements as per the course curriculum.

The meeting ended with a vote of thanks to the Chair:

Copy to: 1. Asstt. Registrar to Director for Director's kind information please.
2. Supdt. to Dy. Director for Dy. Director's kind formation please.
3. Dean of Faculty Affairs.
4. Dean, Academic Affoirs.
5. All Faculty Members of Chemistry Department.

GATE-JAM - 2018
IIT Roorkee
Subject: Your letter no. IITR/JAM/MEQ/2017-18 dated July 7, 2017 regarding Minimum Educational Qualifications (MEQs) for JAM 2018 and MEQ for engineering students appearing in JAM 2018.

Dear Sir,
The above mentioned issue was discussed in the DFC meeting held on July 7, 2017.
The DFC accepts the proposed MEQ for JAM 2018 for M.Sc. Biotechnology as "Any Branch/ Subject" as proposed by JAM Advisory Board (JAM-AB).

With kind regards.

## DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES IT ROURKE

No./2489/HSS/HOD/2017-18

Chairman, GATE-JAM 2018
IIT Roorkee
Dear Sir,

In reference to the letter no. IITR/JAM/MEQ/2017-18 dated: July 7, 2017, please find below the recommendations from the Department for admission of students in M.Sc. Economics programme through JAM 2018.

1) With reference to Point 1: Since two-years M.Sc. Economics is a unique programme offered only by IT Roorkee and is not common across all ITs, therefore, Point 1 is not applicable for this programme. However, the Department agrees that there should not be any restrictions based on courses taken at $10+2$ level. Therefore, we have redefined the admission eligibility criteria for M.Sc. Economics programme as under:

## Admission Eligibility:

Minimum qualification for admission to MASc. (Economics) programme include one of the following degrees or their equivalents: B.Tech./B.E./B.Sc.(PCM)/B.Stat and B.A./B.Com (with mathematics as one of the subjects) with at least First Division.
2) With reference to Point 2: The Department agrees with the recommendation that Minimum Educational Qualification (MEQ) for Indian engineering students should be removed and these students should be admitted on the basis of their JAM rank only.
3) The department proposes that selection of students in the M.Sc. Economics programme [code: 1806] should be ONLY on the basis of Mathematics (MA) test paper. Therefore, admission through Mathematical Statistics (MS) should be discontinued from JAM 2018 onwards. In this respect, the allocation of seats for Economics [1806] be revised as follows (on page 17 of JAM admission brochure):

| M.Sc. (4 semesters) | Economics |
| :---: | :---: |
| [Programme code] | $[1806]$ MA |
| Seats Available | $15+8+5+2$ |
| ST (1) |  |
| Test Paper (Test Paper Code) | Mathematics (MA) |

# DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES IT ROURKE 

No./2489/HSS/HOD/2017-18

No.Phy/DAPC/ 385
Dated:12.7,2017
13

Chairman, GATE-JAM-2018 IIT-Roorkee

With reference to your letter No. IIIR/JAM/MEQ/2017-18 dated 7.7.2017, it is to inform you that the Departmental Academic Programme Committee (DAPC) in its meeting held on 11.7.2017 has resolved the following:
" No change is required in the present minimum educational qualification for admission in M.Sc. (Physics) through JAM."

Copy of the DAPC minutes is enclosed.
Encl: As above

## inutes of the meeting of the Departmental Academic Programme Committee (DAPC) held on 11.7.2017 at 12. noon in the Committee Room.

The following members attended the meeting:

1. Prof. G.D. Varma

Chairman
2. Dr. Vipul Rastogi
3. Dr. Anirban Mitra
4. Dr. M.V. Sunil Krishna
5. Dr. P.C. Srivastava
6. Dr. Ajay Y. Deo
7. Dr. Moumita Maiti
8. Mr. Vikas Yadav

- Students' Representative 1

The DAPC members discussed the following items:
i) Admission of exceptional candidates to B. Tech.(UG) program.
ii). Minimum qualification for admission in M.Sc. Ist year through JAM

The Committee resolved the following:
i) There is no necessity to open any other channels for admission to U.G.(B.tech.) programmes of IITs.
ii) No change is required in the present minimum educational qualifications for admission in M.Sc. (Physics) through JAM.

The meeting ended with a vote of thanks to the Chair.

## Revised Minutes of the meeting of the Departmental Academic Programme Committee (DAPC) held on 20.7.2017 at 12. noon in the Committee Room.

The following members were present in the meeting:

1. Prof. G.D. Varma

Chairman
2. Dr. Vipul Rastogi
3. Dr. Anirban Mitra
4. Dr. M.V. Sunil Krishna
5. Dr. P.C. Srivastava

6. Dr. Moumita Maiti

The Committee discussed the minimum edlucational qualifications ( $M E Q_{s}$ ) for engineering $\qquad$ students to be admitted to M.Sc. Physics Ist year on the JAM Rank.

The Committee resolved that B. Tech. students be admitted to M.Sc. Physics Ist year on the basis of their JAM rank.

The meeting ended with a vote of thanks to the Chair.

Physics | IITR | Physics for at least two years/four semesters and Mathematics for at least one year/two semesters | No Restrictions | Physics for at least two years/four semesters and Mathematics for at least one year/two semesters | No change is required in the present minimum educational qualification for admission in M.Sc.(Physic) through JAM |

Item No. 69.22: To consider the proposal of permitting III year (IV year) students to register for one course of I year (II year) as back paper.

As per rule students of III year (IV year) are not allowed to register the courses of III year (IV year), if they have not completed the courses of I Yr (II Yr). However, in 2014, it was decided that these students be allowed to register with only one paper as back paper, provided they pay one semester fee as penalty and it was Rs.25000/- at that time. But now the fee has increased.

In 54th IAPC it was recommended that the penalty be kept fixed as Rs.25000/- as a deterrent to allow the students of III year (IV year) to register courses with only one course of I Yr(II Yr) as back paper.

The above recommendation is submitted for consideration and approval of the Senate.

## Item No. 69.23: To consider Dress Code for various dignitaries/faculty members/graduating students at Convocation 2017 and onwards.

The Convocation 2017 committee in its first meeting held on July 03, 2017 discussed the issue of changing the dress code for dignitaries and graduating students.

1. The Senate may deliberate whether or not the dress code be changed.
2. In case the change in dress code is recommended, the decision can be taken by a committee constituted by the Director.

The issue is placed before the Senate for consideration and approval please.

## Item No. 69.24: To consider holding of Annual Convocation of the Institute for the award of degrees to various graduating students on two days instead of one day as presently done.

The next convocation of the institute is scheduled to be held on September 23, 2017. The number of degree recipients is increasing every year (approximately 2300 in 2017) and it has become difficult to accommodate the present recipients (around $70 \%$ of total) and the guests in the convocation hall at one time. If all the candidates turn up to receive the degree in person, we will need a bigger hall to accommodate the degree recipients alone. We would need much more time for award of the degrees and other activities in the function. Moreover, parents of degree recipients do want to sit in convocation hall to see the proceeding live. At present this is not possible.

In view of the above, it is proposed that the convocation function be held on two days as follows:

Day-one: All undergraduate students, IDD programme students, Integrated M.Sc. programmes (1200 approximately).

Day - two: All Ph.D. and postgraduate candidates including MBA (1150 approximately).

These two days can be kept as successive days or spaced by one week.

This issue was also considered by the convocation committee in its meeting held on July 03, 2017. With this arrangement we may have to look for two chief guests.

The issue is placed before the Senate for consideration and approval please.

Item No. 69.25: To consider award of the Ph.D. Degrees to the students who have completed the requirements for the award of the Ph.D. Degree in various disciplines w.e.f. $3^{\text {rd }}$ March 2017 to till date.

The list is presented as Appendix ' $\mathbf{A}$ '.

## Item No. 69.26: To consider the proposal for Senate Standing Committee for Scholarships and Prizes for students.

Dean of Resources \& Alumni Affairs (DORA) office has been receiving requests from donors for awards like the best all-rounder of a particular department, awards for excellence in communication skills, awards for services to the rural population of the country, awards for achievements in sports etc. Unlike purely CGPA based achievements, such scholarships and prizes need deliberations to define the criteria and selection process. A Senate Committee for Scholarships and Prizes (SCSP) is being proposed to formulate such proposals and present them to the Senate for consideration. For all urgent and pending cases, the committee may seek Chairman, Senate's approval and report such approvals to the Senate. This mechanism will also provide a single window instead of the current practice of instituting scholarships and prizes through multiple Deans' offices. It will also ensure that all such initiatives become part of the Senate's records. The committee will also oversee the process for the selection of awardees each year, including those for existing awards which are given at the time of Convocation, or otherwise.

SCSP would have a tenure of one year and would consist of
(1) Chair - to be nominated by Chairperson, Senate
(2) Two faculty members to be nominated by the Departments (on rotation basis considering departments' name alphabetically)
(3) Two students' representatives:
(i) General Secretary (Academic Affairs) or his/her nominee
(ii) General Secretary (Alumni Affairs) or his/her nominee

Whenever required, DORA and outgoing Chair SCSP will contribute to SCSP as special invitees. For specific awards, SCSP will be free to constitute appropriate committees for selecting awardees.

SCSP would also look at the various issues with existing scholarships and prizes like the need for their
rationalization, examining the feasibility of their continuation, enhancement of amount etc. Further, donors often enquire about the possibility of instituting a new scholarship or prize. This committee will be expected to keep a list of new potential scholarships and prizes ready, which future donors may consider to support.

Senate is requested to consider and approve the proposed Senate Committee for Scholarships and Prizes (SCSP).

## Item No. 69.27: To report the syllabi of M.Tech. (Photonics) proposed by the Physics Department.

On the recommendation of the 54th IAPC, the Chairman Senate approved the following syllabi of M.Tech. (Photonics) proposed by the Physics Department (Appendix ' $\mathbf{A}$ '):

1. PHN-701: Numerical Analysis and Computational Techniques.
2. PHN-703: Fabrication and Characterization Techniques
3. PHN-707: Laboratory Work in Solid State Electronic Materials
4. PHN-709: Semiconductor Device Physics
5. PHN-711: Laboratory Work in Photonics
6. PHN-715: Analog Integrated Circuit Design
7. PHN-717: Digital Signal Processing

The above is reported to the Senate.

## INDIAN INSTITUTE OF TECHNOLOGY ROORKEE

## NAME OF DEPTT./CENTRE: DEPARTMENT OF PHYSICS

8. Pre-requisite: Nil
9. Objective of Course: To provide the knowledge of computation with suitable mathematical software and its applications to solve the problems of condensed matter physics.

Practical: 6
4. Relative Weightage: CWS: 0 PRS: 50 . MTE: 0 ETE: 0 PRE:50
5. Credits: 3
6. Semester: Autumn
7. Subject Area: PCC
8. Pre-requisite: Nil
9. Objective: To impart practical knowledge in Solid Sate Electronic Materials
10. Details of Course:

| S. No. | Contents | Contact Hours |
| :---: | :---: | :---: |
| 1. | Study of variation of resistivity with temperature of metal and highly resistive materials by Four Probe Technique. | $14 \times 6$ |
| 2. | Mapping and analysis of the resistivity of large samples (thin films, superconductors) by Four probe Technique. |  |
| 3. | To study the temperature dependence of Hall coefficient of $n$ and p-type semiconductors. |  |
| 4. | (a) To measure the dielectric constant and Curie temperature of given ferroelectric samples. <br> (b) To measure the coercive field $\left(\mathrm{E}_{\mathrm{c}}\right)$, remanent polarization ( $\mathrm{P}_{\mathrm{r}}$ ), Curie temperature $\left(\mathrm{T}_{\mathrm{c}}\right)$ and spontaneous polarization ( $\mathrm{P}_{\mathrm{s}}$ ) of Barium Titanate $\left(\mathrm{BaTiO}_{3}\right)$. |  |
| 5. | Thermoluminescence in alkali halides crystals. <br> (a) To produce F centers in the crystal exposing to X -ray /UV source. <br> (b) To determine activation energy of the F-centers by initial rise method. |  |
| 6. | Verification of Bragg's law and determination of wavelength/energy spectrum of X-rays. |  |
| 7. | Study of solar cell characteristics and to determine open circuit voltage ' $V_{o c}$ ', short circuit current 'Isc', Efficiency ( $\eta$ ), fill factor, spectral characteristics and chopper characteristics. |  |
| 8. | To measure the magnetoresistance of semiconductor and analyze the plots of $\Delta R / R$ and $\log -\log$ plot of $\Delta R / R$ Vs magnetic field. |  |
| 9. | To determine the coercivity, saturation magnetization and retentivity of ferromagnetic samples using magnetic hysteresis loop tracer |  |

| 10. | To study the temperature dependence of Laser diode <br> characteristics |
| :---: | :--- |
| 11. | To determine transition temperature of given superconducting <br> material and study Meissner effect. |
| 12. | To measure critical current density of given superconductor and <br> study its field dependence. |
| 13 | To determine the value of Lande's ${ }^{\text {To }}$ g' factor using ESR <br> spectrometer. |
| 14 | To study C-V characteristics of various solid state devices and <br> materials (like p-njunctions and ferroelectric capacitors). |
|  | Total |

Item No.69.28: To report the Seat Matrix for JEE/JAM-2017 and inform the provisions to be made regarding implementation of Section (32)(1) of the Rights of Persons with Disabilities Act, 2016 from next academic year.

The Seat Matrix for JEE/JAM 2017-18 was requested by the respective examination units and was approved by the Chairman Senate with 3\% provision for Persons with disability. This is given at Appendices ' $\mathbf{A}$ ' and ' $\mathbf{B}$ '.

As per the intimation received from MHRD, GOI, (letter F.No.32-9/2017-TS-1 dated 04.5.2017) the admission provision for Persons with Disability has been increased from $3 \%$ to $5 \%$ and has to be implemented from next admission examination. (Appendix-C)

The above is reported to the Senate.

# F. No. 32-9/2017-TS-I <br> Government of India 

Ministry of Human Resource Devclopment
Department of Higher Education
Technical Section-I
******
Shastri Bhawan, New Dethi
Dated the $4^{\text {th }}$ May, 2017
To,
The Directors,
All IITs

## Subject:- Implementation of Section(32)(1) of the Rights of Persons with Disabilities Act, 2016- reg.

Sir,
I am directed to refer to this Ministry's letter (copy enclosed) of even number dated $24^{\text {ti }}$ April, 217 on the above mentioned subject and to say that the matter of applicability of the Section 32(1) of the Rights of Persons with Disabilities Act, 2016 for admission to IITs against JEE(Mains) and JEE(Advanced) was taken up with the Department of Legal Affairs, Ministry of Law and Justice, and as per their advice, since the process of examination for the academic session 2017-18 has already begun, the said provision shall be applicable only from the next examination.

Encl.: as above

(Kundan Nath)
Under Secretary to the Government of India
Pb No. 011-23381698
Copy to:
i. Sh. K. V. S. Rao, Director, D/o Empowement of Persons with Disabilities, Ministry of Social Justice and Empowerment.
ii. Ms. Arti Chopra. Assistant Legal Adviser, Department of Legat Affairs. Ministry of Law and Justice.

# Item No. 69.29: To report the minor modifications in B.Tech. (Engineering Physics) and M.Sc. (Physics) course structures as proposed by the Department of Physics. 

On the recommendation of the 55th IAPC, the Chairman Senate has approved the minor modifications in B.Tech. (Engineering Physics) and M.Sc. (Physics) course structures and the following syllabi as given in Appendix ' A ':

1. PHN-102: Analog Electronics
2. PHN-207: Thermal and Statistical Physics
3. PHN-209: Digital Electronics and Circuits
4. PHN-211: Quantum Physics
5. PHN-505: Advanced Mathematical Physics

The above is reported to the Senate.

$T_{\text {－Any one course in this category is to be opted either in the Autumn or in the Spring semester in the II year．The course should be selected }}$ from the list（basket）of Humanities and Social Sciences Elective Courses．
${ }^{2}$－One course each from the OEC and the HSSMEC categories is to be opted either in the Autumn or in the Spring semester in the III year．The HSSMEC course should be selected from the list（basket）of Management Studies Elective Courses．
＊DEC－Departmental Elective Course
＊＊MSC－Minor Specialization Course
＊＊＊DHC－Departmental Honours Course

## PROGRAM CORE COURSES (PCC)

## DCC Year I Spring

1. Electromagnetic Theory ( $\mathrm{PHN}-008: 3-1-0$ )
2. Analog and Digital Electronics (PHN-102, 3-0-2)
3. Thermal and Statistical Physics (PHN-104, 3-0-2)

## DCC Year II Autumn

4. Engineering Analysis and Design (PHN-205, 2-0-2)
5. Mechanics and Relativity (PHN-207, 3-1-0)
6. Mathematical Physics (PHN-209, 3-0-0)
7. Quantum Physics (PHN-211, 3-0-0)

## DCC Year II Spring

8. Atomic , Molecular and Laser Physics (PHN-204, 3-0-0)
9. Elements of Condensed Matter Physics (PHN-206, 3-0-0)
10. Nuclear Physics and Applications (PHN-208, 3-0-0)
11. Microprocessors and Peripheral Devices (PHN-210, 3-1-2)
12. Applied Optics ( $\mathrm{PHN}-214,3-0-2$ )

## DCC Year IIL Autumn

13. Numerical Analysis and Computational Physics (PHN-311, 2-0-2)
14. Signals and Systems (PHN-313, 3-1-0)
15. Laser \& Photonics (PHN-315, 3-0-0)
16. Plasma Physics and Applications ( $\mathrm{PHN}-317,3-0-0$ )
17. Technical Communication (PHN-319, 2-0-0)

## DCC Year III Spring

18. Applied Instrumentation (PHN-310, 3-1-2/2)
19. Semiconductor Devices (PHN-312: 3-1-2/2)

## PROGRAM ELECTIVE COURSES (PEC)

DEC Year III Autumn (Any One)

1. Digital Image Processing (EE-352:3-1-0)
2. Fabrication and Measurement Techniques(PHN-321, 2-0-4)
3. Radiation Detection and Measurements(PHN-323, 3-1-0)
4. Atmospheric Physics and Climate Dynamics (PHN-325, 3-1-0)
5. Physics of Nanosystems (PHN-327, 3-1-0)
6. Superfluidity and Superconductivity(PHN-329, 3-1-0)
7. Nuclear Astrophysics(PHN-331, 3-1-0)

## DEC Year III Spring (Any One)

8. Principles of Digital Communication (EC-212: 3-1-0)
9. Properties of Matter and Acoustics (PHN-316, 3-0-2)
10. Data Structures (MA-106: 3-0-2)
11. Atomic and Molecular Collision Physics(PHN-318, 3-1-0)
12. Fiber and Nonlinear Optics(PHN-320, 3-1-0)
13. Modern Particle Physics(PHN-322, 3-1-0)
14. Nanotechnology(PHN-324, 3-1-0)

DEC Year IV Autumn (Any Two)
15. Principles of Remote Sensing (ES-401: 2-1-0)
16. Superconducting Materials(PHN-425, 3-1-0)
17. Digital Signal Processing (EE-355, 3-1-2/2)
18. Quantum Information \& Computing (PHN-427, 3-1-0)
19. Nuclear Science \& Engineering(PHN-429, 3-1-0)
20. Weather Forecasting(PHN-431, 3-1-0)
21. Introduction to Superstring theory(PHN-433, 3-1-0)
22. Advanced Characterization Techniques( $\mathrm{PHN}-435,3-1-0$ )
23. A Primer in Quantum Field Theory (PHN-437, 3-1-0)
24. Optical Commünication Systems (PHN-439, 3-0-3)

DEC Year IV Spring (Any Two)
25. Biophysics and Applications (BT-xx, 3-1-0)
26. Emerging Phenomenon in Materials(PHN-422, 3-1-0)
27. Optoelectronics (PHN-424, 3-1-0)
28. Space Technology( $\mathrm{PHN}-426,3-1-0$ )
29. Advanced Electroceramics Technology (PHN-428, 3-1-0)
30. Solar Terrestrial Physics(PHN-430, 3-1-0)
31. Computational Nuclear Physics(PHN-432, 3-1-0)
32. Organic Electronics (PHN-434, 3-0-3)

List of Minor Specialization courses of Physies for other Departments

## INDIAN INSTITUTE OF TECHNOLOGY ROORKEE

## NAME OF DEPTT. /CENTRE: DEPARTMENT OF PHYSICS

1. Subject Code:PHN-102
2. Contact Hours: L. 3
3. Examination Duration (Hrs.):
4. Relative Weight: CWS: 20
5. Credits: 4
6. Semester: Autumn

PRS: 20
MTE: 20
ETE: 40
PRE: 00
8. Pre-requisite: None
9. Objective:To introduceconcepts and applications of analog electronics
10. Details of Course:

| S. | Contents | Contact <br> Nours |
| :---: | :--- | :---: | :---: |
| 1. | Semiconductor Diodes and Basic Diode Circuits: Basic properties <br> of Si, Ge and GaAs from diode perspective, Intrinsic, and extrinsic <br> semiconductors, Formation of $p$ p- junction, Qualitative theory of the p- <br> n junction, Current flow mechanism in forward and reverse biased <br> diode, Volt-Ampere characteristics, Static and dynamic resistance of <br> diode, Junction capacitance, Diode equivalent circuits; Load line <br> analysis, p-n junction as a rectifier, Rectifier circuits (Half wave, Full <br> wave, Bridge), Clippers and Clampers, Zener diode, Zener regulator, <br> Loaded Zener regulator. | 6 |
| 2. | Bipolar Junction transistors: n-p-n and p-n-p transistors, <br> Characteristics of CB, CE and CC configurations,Current gains $\alpha, \beta$ <br> and Y, and relations between them; Active, cutoff and saturation <br> regions, Biasing of transistors: base bias, emitter bias, voltage divider <br> bias, emitter follower circuit, Load line analysis | $\mathbf{8}$ |
| 3. | Field Effect Transistors: Junction field effect transistors, Pinch-off <br> voltage, Volt-Ampere characteristics of JFET, Insulated-gate field- <br> effect transistor(MOSFET), Enhancement MOSFET, Depletion <br> MOSFET, n-MOS, p-MOS, CMOS, FET biasing as covered in BJTs | $\mathbf{6}$ |
| 4. | Amplifiers: Small signal analysis of a transistor, $h$ parameters, $h$ <br> parameter equivalent circuits; BJT amplifiers: CE, CB, CC amplifiers <br> and their analysis and comparison; FET amplifiers: Small signal <br> model, Different configurations (Self-bias, voltage divider, Common <br> Gate, Common Drain); Frequency effects in amplifiers, Differential | $\mathbf{8}$ |

|  | amplifiers: A.C. and D.C. analysis, Common mode gain, and CMRR; |  |  |
| :---: | :--- | :---: | :---: |
| $\mathbf{5}$ | Operational amplifiers: Inverting and non-inverting amplifiers, <br> feedback in amplifiers: effects of positive and negative feedback on <br> input impedance, output impedance, gain, stability, distortion and <br> noise, Op-amp applications: Addition, subtraction, differentiation and <br> integration. | $\mathbf{8}$ |  |
| $\mathbf{6 .}$ | Oscillators: Sinusoidal oscillators:Barkhausen's criterion for self- <br> sustained oscillations, The Wien-Bridge oscillators, RC phase shift <br> oscillators, RC Twin-T oscillators, LC Oscillators: Armstrong, Hartley, <br> Clapp and Crystal Oscillators, Non-sinusoidal oscillators- <br> multivibrators; | 6 |  |
|  |  | Total | $\mathbf{4 2}$ |

ETE: 40
PRE: 00
5. Credits: 4
6. Semester: Autumn
7.Subject Area: PCC
8. Pre-requisite: None
9. Objective: The course aims at familiarizing students with laws of thermodynamics and their correspondence with statistical mechanics
10. Details of Course:

| S.N <br> O. | Contents | Contact <br> Hours |
| :---: | :--- | :---: |
| 1. | Concept of pressure and radiation thermometry and absolute <br> temperature, internal energy function, heat capacity, hydrostatic <br> system, extensive and intensive parameters, conduction, <br> convection, radiation of heat, Kirchhoff's law of radiated heat and <br> Stefan-Boltzmann law | 5 |
| 2. | Equation of state of ideal and real gas, quasi-static, adiabatic <br> process, microscopic point of view, irreversible part of the second <br> law, heat and entropy in irreversible and reversible processes, <br> entropy and non-equilibrium states, application of the entropy <br> principle | 5 |
| 3. | Phase diagram of pure substance: PV, PT, TS diagram, volume <br> expansivity, compressibility, molar heat capacities and its <br> measurement, drawback of equipartition theorem | 5 |
| 4. | Enthalpy, Helmholtz and Gibb's functions, Maxwell's <br> thermodynamic relations, heat capacity equation, chemical <br> potential, criteria for first- and second-order phase transitions and <br> their study of in terms of thermodynamic potentials/free energies | 5 |
| $\mathbf{5 .}$ | Free expansion of a gas, throttling process and inversion curve, <br> liquefaction of gases, magnetic cooling, phase behavior of helium | $\mathbf{5}$ |
| $\mathbf{6 .}$ | Phase space and definition of microstates, Liouville's theorem <br> and its consequences, a priori equal probability, microcanonical <br> ensemble, contact between statistics and thermodynamics | $\mathbf{7}$ |

| 7. | Isolated system and its contact with a heat reservoir, canonical <br> ensemble, calculation of thermodynamic quantities for an ideal <br> monatomic gas and Gibbs paradox | 5 |
| :---: | :--- | :---: |
| 8. | Identical particles and symmetry requirements, M-B, B-E and F-D <br> statistics and the corresponding distribution functions, blackbody <br> spectrum | 5 |
|  |  | Total |

## List of experiments:

| I | Measurement of temperature using thermister |
| :---: | :--- |
| II | Specific heat measurements |
| III | Stefan's constant and work function of a photo cathode using incandescent <br> lamp |
| IV | Thermal conductivity of metal by Searle's apparatus. |
| V | Verification of Stefan's law |
| VI | J by Callendar and Barn's method |
| VII | Temperature coefficient of resistance by Callendar and Griffiths bridge |
| VIII | Thermal conductivity of glass (tube form) |
| IX | Co-efficient of thermal expansion |
| X | Thermo-emf by potentiometer |
| XI | Thermal equation of state and critical point |

| 3. | Organic Chemistry, J. Clayden, N. Greeves, S. Warren, P. Wothers, <br> Oxford University Press | 2009 |

## Item No. 69.32: To report the extension of IITR Assistantship to research scholars till defence.

On the recommendation of the $10^{\text {th }}$ IRC, the Chairman Senate has approved that IITR Assistantship to research scholars may be extended up to the viva-voce Examination on the recommendation of supervisor. This is subject to their registration in those semester(s). However, in any case, the assistantship cannot be given beyond five years as per the guidelines of MHRD (copy of notification is placed as Appendix 'A').

The above is reported to the Senate.

## INDIAN INSTITUTE OF TECHNOLOGY ROORKEE ROORKEE

## NOTIFICATION

This is hereby notified that the Director is pleased to approve that fellowship may be given to research scholars in subsequent semester(s) after submission of thesis subject to their registration in those semester(s) on recommendation of supervisor upto the viva-voce Examination. However, in any case, the fellowship cannot be given beyond five years.

The above will be implemented w.e.f. July $01 ; 2017$.

Asstt. Registrar (Academic Research)
Copy to:-

1. Dean, Academics.
2. Dean, Finance \& Planning.
3. All Heads of Departments/Centres.
4. A.R. to Director for kind information of the Director.

Item No. 69.33: To report the extension granted to Mr. Ajay Jain, Enrolment No. 10114002 B. Tech. (CSE).

On the recommendation of the $55^{\text {th }}$ IAPC, the Chairman Senate has granted Mr. Ajay Jain, Enrolment No. 10114002, B. Tech. (CSE) an extension for two semesters to complete the degree requirements. He has already completed seven years in the programme and has medical issues.

The above is reported to the Senate.

Item No. 69.34: To report the extension granted to Mr. Supandeep Singh, B. Tech. (P\&P) for re-examination in the course PEN-352.

On the recommendation of the $55^{\text {th }}$ IAPC, the Chairman Senate allowed Mr. Supandeep Singh, B. Tech. (P\&P) for reexamination in the course PEN-352 as he has completed seven years and only this course was left for completing the requirements of the degree.

The above is reported to the Senate.

Item No. 69.35: To report the action on mercy appeals by Mr. Narender Kumar, M.Tech. II year (Geological Technology) and Ms. Saloni Agarwal, Integrated M.Tech. I year (Geological Technology).

On the recommendation of the Institute Standing Committee on Unfair Means the Chairman Senate has approved the registration of both students in the Autumn semester 2017-18 with a maximum of $50 \%$ of the credits allowed.

The above is reported to the Senate.

Item No. 69.36: To report the syllabi of courses related to Department of Humanities \& Social Sciences and Centre of Excellence in Disaster Mitigation and Management.
(i) On the recommendation of the 54th IAPC, the Chairman Senate has approved the syllabi of following Elective courses of M.Sc. (Economics) proposed by the Department of Humanities \& Social Sciences (Appendix ' $A$ '):

1. HSN-601: Issues of Indian Economy
2. HSN-602: Introduction to Research Methodology
3. HSN-603: Industrial Economics
4. HSN-604: Ecological Economics
5. HSN-605: Financial Economics
6. HSN-606: Labour Economics
7. HSN-607: Advanced Topics in Growth Theory.
(ii) On the recommendation of 54th IAPC, the Chairman Senate has approved the revised syllabus of DMN-611: Nuclear Physics for Disaster Mitigation proposed by the Centre of Excellence in Disaster Mitigation \& Management (Appendix ' $B$ ').

The above is reported to the Senate.

Item No. 69.37: To report the action on the request of Ms. Nidhi (16925005), Research Scholar, I year, to convert her Credit Course into Audit Course for continuing in the Ph.D. programme.

On the recommendation of the $14^{\text {th }}$ IRC, the Chairman Senate has approved the continuation of her Ph.D. programme after considering the additional course as an audit course which the candidate has passed.

The above is reported to the Senate.

# Item No. 69.38: To report the action taken on the recommendation of ICC regarding continuation of Research Scholar C8 in the Ph.D. programme with a new supervisor. 

On the recommendation of the $14^{\text {th }}$ IRC, the Chairman Senate has approved the continuation of Research Scholar C8 in the Ph.D. programme with a new supervisor. The procedure of candidacy for Ph.D. may be started again in case there is any change in the research area.

The above is reported to the Senate.

## Item No.69.39: To report the James Thomason Scholarship for JEE (Advanced) entrants with All India Rank (AIR) upto 300 and 500.

On the recommendation of a committee of DoAA, DoSW and Chairman, JEE (Advanced) 2017 the Chairman Senate has approved James Thomason Scholarship.

All students who take admission in IIT Roorkee through JEE (Advanced) and satisfy any one of the two eligibility conditions mentioned below will be provided James Thomason Scholarship:-

## Eligibility:

1 A Student with All India Rank (AIR) up to 300.
2 The best ranked student joining in each department provided his/her All India Rank (AIR) is within 500.

Through James Thomason Scholarship the student will get Rs. 25000/- per month for his/her complete programme subject to securing a minimum of 8.00 CGPA every academic year. The financial management of the scholarship will be carried out by the Endowment Fund Management Committee. The scheme will be reviewed in May 2018.

The above is reported to the Senate.

## Item No.69.40: To report the letter received from MHRD regarding improving the gender balance in the B.Tech. programmes of IITs.

The council of IITs in its $51^{\text {st }}$ meeting held at IIT Bombay on 28.04.2017 approved the recommendations of a Sub-committee of JAB (Joint Admission Board) and decided to increase female enrolment in B.Tech. programmes of IITs from the current $8 \%$ to $14 \%$ in $2018-19,17 \%$ in 2019-20 and $20 \%$ in 2020-2021 by creating supernumerary seats subject to the conditions listed in MHRD letter F.No. 24-9/2016-TS-I dated 13.07.2017, as given in Appendix 'A'.

The above is reported to the Senate.

# Item No. Senate/69.40 

T. No.24-9/2016-TS.I<br>Government of India<br>Ministry of Human Resource Development<br>Department of Higher Education<br>Tectrical Section-I

Shastri Bhiawan, New Defhi
Dated, j3 $3^{\text {th }}$ July, 2017
Subject Improving the gender balance in the B.Tech. Programmes of Indian Institutes of Fechnology (ITs)

With a view to improving gender balance in the B. Tech programmes of Indian Institutes of Technology (ITs), the Joint Admission Board (JAB) in its meeting held on 21082016 , constituted a Sub Committee under the chaimanship of Dr. Tmothy A. Gonsalves, Direcfor ITT Mandi to recommend remedial measures therefor:
2. The Committec, after having had deliberations in tits meetings held on 13.12 .2016 and 10.02 .2017 as well as intense consultation with faculty. members involved ir the admission process in IITs, recommended a number of measures including, inter-alia, increasing femade enmolment to $20 \%$ over a period of $2-4$ years by creating supernumerary seats.
3. The Council of His chaired by the Honble Minister of Humart Resource Development, in its 51 st meeting held at ITH Bombay on 28.04.2017 approved the recommendations and decfed to increase female entolment in B. Tech. programmes of ITs from the current $8 \%$ to $14 \%$ in 2018-19, 17\% in 2019-20 and $20 \%$ in 2020-21 by creating supenumerary seats subject to the folloxing conditions:-
(i) The number of male students admitted will not be reduced, unless the overall performance of male candidates in JEE (Advanced) dẹelines vis-a-vis female candidates.
(ii) Any frmale candidate who would have got a seat prior to this scheme will get the same or a, more preferred seat with this scheme.
(iii) Rank based ment is strictly followed whithin the poal of male candidates and within the pool of female candidates.
(iv) Statutory reservation for Scheduled Castes (SCs): Scheduled Tribes (STs), Other Backward Classes (OBCs) and for Physically Handicapped ( PH ) will be applicable in the supernumerary seats in the same maniner as for the sandtioned seats.
(v) The Joint Implementation Cominttec OR the Joint Seat Allocation Authority will work out the business rules and detailed procedure for implementing the scheme.
4. This issues in consultation with the Ministry of Law \& Justice, and with the approval of the Hobble Minister of Human Resource Development.

(Tripti Gurhal
Copy for necessary action to:

1. Chairman, Joint Admission Board, 2017
2. Chairman, Joint Admission Board, 2018
