Item No. 70.2: To consider the list of Medal/Prize recipients for Convocation 2017 and further action to be taken by SCSP.

In the 69th meeting of the Senate held on July 28, 2017, the proposal to constitute a Senate Committee for Scholarships and Prizes (SCSP) was approved. The first SCSP was notified on August 9, 2017. Before that, to decide the awardees for Convocation 2017, as per past practice a three member committee was constituted on July 11, 2017.

SCSP carried forward the work already done for Convocation 2017, in consultation with the Convocation 2017 Committee.

(A) Items for the consideration of Senate:

(i) The recommended list of winners of various medals/prizes for Convocation 2017 except Director's Gold Medal is appended (**Appendix 'A'**) for consideration and approval of the Senate.

(ii) The criteria for the Director's Gold Medal was approved by the Senate in its 4th meeting held on September 18 & 24, 2002. As per Senate minutes' item no. 4.3.18, the criteria for Director's Gold Medal (DGM) is as follows: "To be awarded to a student who is adjudged as the best all rounder from amongst the graduating students of the 4/5-year B.Tech., B.Arch., 5-year Integrated M.Tech. and 5-year Dual-Degree programmes."

Keeping in view the criteria and the winners of the President of India Dr Shankar Dayal Sharma Gold Medal and the DGM, in 2013 a Committee was constituted to review this criteria. The committee observed that the same student gets both the medals. Therefore, the committee proposed the following additional riders in the original criteria for DGM: "The student having CGPA 9 and above in final year and proficiency/extra-curricular activities including social activities other than sport activities will be taken into account." The revised criteria was approved by Chairman Senate but was not reported to the Senate.

As per the practice of the last three years, only NSS proficiency has been used for the DGM while actually there

are several other proficiencies, other than sports, such as Hobbies Club, Cultural Council etc.

Keeping in view both, the original criteria of 2002, as well as the revised criteria of 2013, it is recommended that for deciding DGM inclusion of all the proficiencies such as Hobbies Club, Cultural Council etc. from the first year to the final year, excluding the sports proficiencies of II, III and IV years.

The Senate is requested to consider and approve the above proposal.

(B) Items for reporting to the Senate:

(i) Institute Silver Medals are awarded to UG/IDD students who obtain the highest CGPA in their respective disciplines. Since comparing the CGPAs within a discipline is a competition within a department and not an institute wide competition, it is recommended that "Institute" be replaced by "Department". Further, since Gold is usually associated with the first rank and Silver is usually associated with the second best, it is recommended that "Silver" be replaced by "Gold". Lastly, continuing with the existing practice, the Department Gold Medal (erstwhile Institute Silver Medal) need not be given in the discipline from which a student receives the President's Gold Medal.

The Chairman, Senate has approved the above recommendations for the Convocation of 2017. For future Convocations, SCSP will submit a proposal in this regard for the consideration of the Senate.

(iii) Institute Medals for the Best UG Projects in Engineering & Architecture in all disciplines are awarded. Normally, UG projects are done in groups but as a practice this medal is awarded to the student who secures the highest marks in the project. Further, most departments do not evaluate the best project of the batch. Thus, the departments primarily evaluate individual performances in their respective projects. To make the criteria consistent with the practice, SCSP recommended that the award be given for "securing the highest marks in Project/thesis in Engineering & Architecture amongst the UG students in their respective disciplines". Further, it was observed that these medals are

based on department level and not institute level competitions. Therefore, SCSP recommended that instead of calling them Institute Medals, it will be appropriate to call them Department Medals. The Chairman, Senate has approved the above recommendations of SCSP for the Convocation of 2017. For future Convocations, SCSP will submit a proposal in this regard for the consideration of the Senate.

(C) Roadmap for the coming months:

In the coming months, SCSP will work on the following observations and bring proposals for the consideration of the Senate:

- (i) No Institute/department medals/prizes are awarded to PG students.
- (ii) There are several awards for same, or similar, achievements. Further, in some cases, for one reason or the other, the recipients have a low sense of achievement.
- (iii) There is lack of clarity in evaluation criteria for some of the medals/awards. There may be better ways of evaluating all round performance or extra-curricular achievements including those in sports, social service, cultural activities, technical activities etc.
- (iv) Some awards have not been reported to the Senate.
- (v) In some cases, institute has accepted donation but the awards are not yet operational.
- (vi) There is a need to look into the criteria and desirability of the Institute Gold Medal which exists but has never been awarded.

The above is placed before the Senate for consideration and reporting.

FINAL LIST OF BACHELOR OF TECHNOLOGY/ARCHITECTURE

Chetanya Rastogi, B. Tech. (Electrical Engineering)

- (i) President's Gold Medal for For obtaining highest C.G.P.A. amongst the B.Tech./B.Arch./IDD/Int. M.Sc./Int. M.Tech. Passing out students entered through JEE having good character.
- (ii) Dr. A.N. Khosla Medal for the student obtaining highest C.G.P.A. in all B.Tech. Courses.
- (iii) Smt. Shashi Krishna Medal for the student obtaining highest C.G.P.A. all B.Tech./B.Arch. courses.
- (iv) Late Smt. Kailash Devi Goyal W/o Sri Kanhaiyalal Goyal of Firozabad Memorial Cash Prize of Rs. 5000/- for the student obtaining highest CGPA in B.Tech.(Elect.) final year.
- (v) Department Medal for securing highest marks in Project/ thesis in Engineering & Architecture amongst the UG students in their respective disciplines.

DhirajIndana, B. Tech. (Mechanical Engineering)

- (i) The President of India, Dr. Shankar Dayal Sharma Gold Medal for excellent performance in academics, extra-curricular activities including social service and having good character amongst all passing out UG and PG students.
- (ii) Department Gold Medal For obtaining the highest C.G.P.A. amongst the students B. Tech. Mechanical Engineering
- (iii) Sarojini Naidu Cup for work & play

ShivamDimri, B. Tech. (Chemical Engineering)

- (i) Dr. Jai Krishna Gold Medal for the best students in B. Tech/B. Arch./IDD/Int. M. Tech. Courses for outstanding performance in Academics and Sports who does not get any other Gold Medal.
- (ii) Department Gold Medal For obtaining the highest C.G.P.A. amongst the students B. Tech. Chemical Engineering.
- (iii) Department Medal for securing highest marks in Project/ thesis in Engineering & Architecture amongst the UG students in their respective disciplines.
- (iv) Prem Prakash Gupta Medal for the student obtaining highest C.G.P.A. in B.Tech. (Chemical) final year.

- (v) Sri M.A. Rao Cash Prize of Rs. 1000/- for having all round best performance in studies and sports in B.Tech. Courses.
- (vi) Prem Prakash Gupta Cash Prize of Rs. 5000/- for the student obtaining highest C.G.P.A. in B.Tech.(Chemical) final year.
- (vii) "Asth Mukul Dixit Prize" of Rs. 5,100/- for the best Engineering Project in Final year of B.Tech. Chemical Engg.

Kumar Shivam Maurya, B. Tech. Civil Engineering

"Kedar Nath Agarwala, I.S.E. Memorial" trophy and Cash Award of Rs. 5000/- for Academic Excellence and outstanding Community Service

Deva Shree Saini, (B. Architecture)

- (i) Department Gold Medal For obtaining the highest C.G.P.A. amongst the students B. Architecture.
- (ii) Everest Award of Excellence Rs. 10,000/- for the student who obtains highest CGPA in B.Arch. Final Year.
- (iii) "Architect Yash Pal Gupta Award of Excellence" of Rs. 10,000/- for a passing out student of B.Arch.

Prikshat Dadhwal, B. Tech. (Biotechnology)

Department Gold Medal For obtaining the highest C.G.P.A. amongst the students B. Tech. Biotechnology.

Lucky Kumar, B. Tech. (Civil Engg.)

- (i) Department Gold Medal For obtaining the highest C.G.P.A. amongst the students B. Tech. (Civil Engg.)
- (ii) Madhusudan Dayal Mithal Medal for obtaining highest C.G.P.A. in B.Tech. (Civil).
- (iii) Rai Bahadur Sohan Lal Bhatia Medal for obtaining highest C.G.P.A. in B.Tech.(Civil)
- (iv) "Prabhakar Swarup Civil Engineering Award" of Rs. 10000/- to a student of B.Tech Civil IV year who obtained highest CGPA in B.Tech Civil IV year.
- (v) "Shri Shiv Nandan Swaroop and Avadh Narayan Bhatnagar" Cash Prize of Rs. 5000/- to a student of B.Tech. Civil Final Year Batch topper.

Jay Hitesh Bosamiya, B. Tech. (Computer Sciences & Engg.)

4. Prof. Ila Gupta, Department of Architecture & Planning
5. Mr. Yash Shinde, Student Representative of Students' Affairs Council
6. Ms. Saloni Agrawal, Student Representative of Students' Affairs Council
7. Deputy Registrar, Academic Affairs

The Chairman Senate has approved the recommendations submitted by the above Committee for Convocation 2017. **(Appendix 'A')**

The above is reported to the Senate.

Convocation Dress

DRESS COMMITTEE REPORT

Academic Affairs | Convocation 2017 | 30.08.2017

Constitution of Dress Committee

In pursuance of the decision taken in the 69th meeting of the Senate, a Dress Committee was constituted under the Convenership of Dean, Academic Affairs as follows:

1. Dean, Academic Affairs, Convener
2. Associate Dean, Academic Affairs – Curriculum, Member
3. Associate Dean, Academic Affairs – Evaluation, Member
4. Prof. Ila Gupta, Prof. in Department of Architecture and Planning, Member
5. MrYashShinde, Student representative of Students' Affairs Council, Member
6. MsSaloni Agrawal, , Student representative of Students' Affairs Council, Member
7. Deputy Registrar, Academic Affairs, Member Secretary

The committee met several times to take decisions on the following:

1. Need to make a change in the convocation dress, while preserving the colour codes assigned to different stake holders like students in different degree programmes, Chairman BOG, Chief Guest, Director, Recipient of HonorisCousaDoctorate degree,Senators and Registrar, as far as possible,
2. To select the design of attire for different stake holders,
3. To select the dress material for the changes in the dress, and
4. To suggest the modalities of proceeding forward for implementation of the changes if approved by the competent authority

COMMITTEE PROCEEDINGS

The committee discussed the pros and cons of changing the traditional convocation dress which at present is black gown or coloured gown with a hood having different colour combinations outside and inside the hood. Laces and beadings have also been used in the dress.

The committee also took note of the feelings and mood of the institute fraternity including faculty and students which desires to have institute flavor in the convocation dress to give it an identity.

It was also felt that the climate in the region is not so conducive to continue with the old traditional dress which causes uneasiness if needed to be worn for a long duration (as convocation ceremony runs for hours), especially in the month of September.

This created the base for ascertaining the need to go ahead for the change in the dress of convocation ceremony. At the same time it posed two important questions, as –

1. The dress design should be such that it brings in comfort for all the stake holders
2. The dress material should be such that the climatic effect can be minimized as far as possible.

Prof. Ila Gupta, the students representatives and the students of Design Studio of the institute were roped in to suggest the possible design of the attire. Students' representatives posed the desire of having a fusion of Indian and Western attire which symbolizes that we are advancing with Indian values embedded in our soul. It was also decided to go for a students' poll regarding selection of dress designs once they are made available by the above-mentioned sources. In this regard the support of General Secretary Students' Affairs Council was sought and MrManik, GS responded positively to the same.

The committee worked on the possible designs of the dress to be worn by students and faculty members taking seat on the dais, and came out with the following proposal:

1. The dress will be a fusion of Indian and Western outfit. Nowadays students are more comfortable in wearing pants/trousers/jeans, which in western, and can be retained as such. The top was then kept as Indian style and the immediate response was to have a customized and designed kurta.
2. It was decided to have a Stole around the neck which will have institute identity in the form of institute logo and any other design that correlates with the institute.
3. No dress code need to be placed for Senators and other dignitaries who will sit on the dais. They will have Stoll of different colour combinations that can be designed in a manner to give them identity as well as distinguish them from degree recipients.

The sub-committee of Prof. Ila Gupta and students' representatives in the committee suggested two designs for boys and girls each. These are shown below in Figure 1.

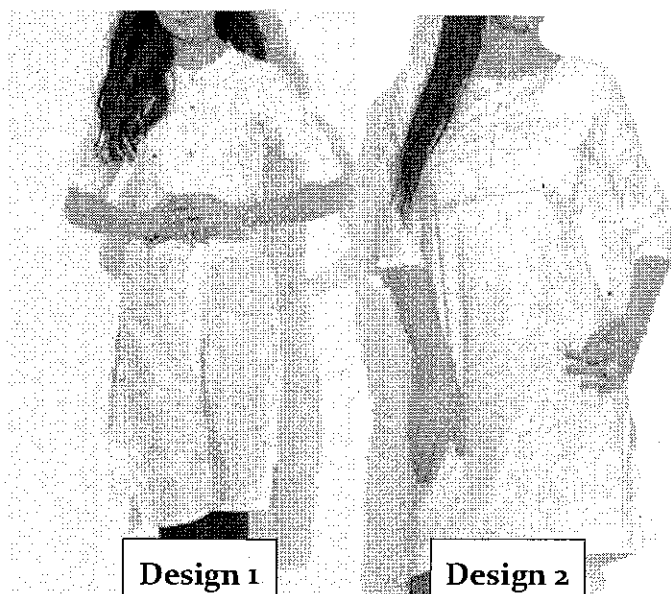

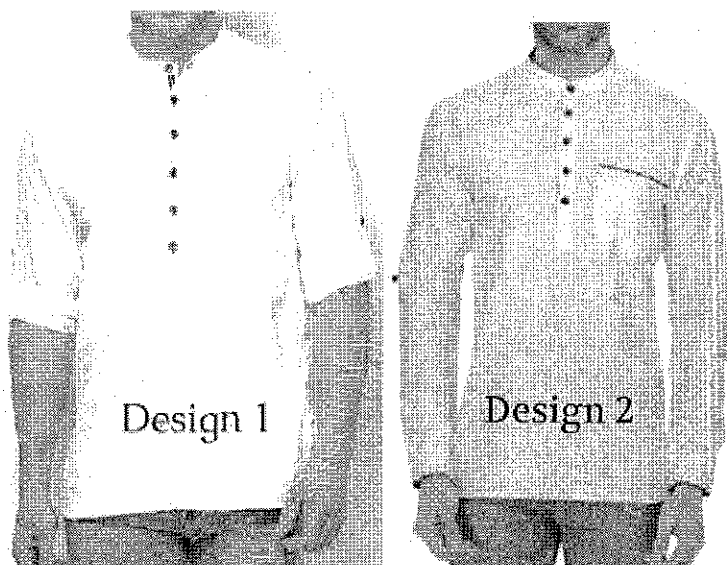

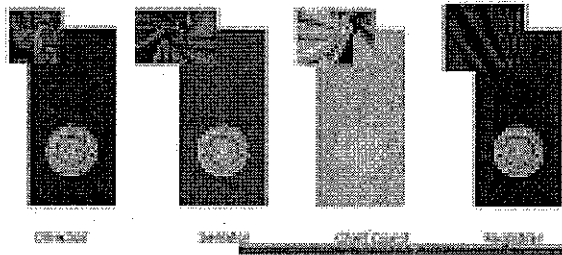

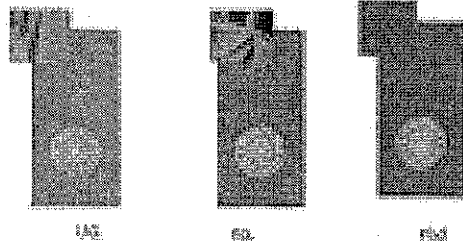

Figure 1: Dress designs suggest by sub-committee

The sub-committee also came up with three designs for the uttariya / angvastra / Stoll. The idea behind these designs was to include the institute logo, a design symbolizing the institute and the possibility of blending the colours of institute flag. Combinations were created

These designs of uttariya are shown in Figure 2.

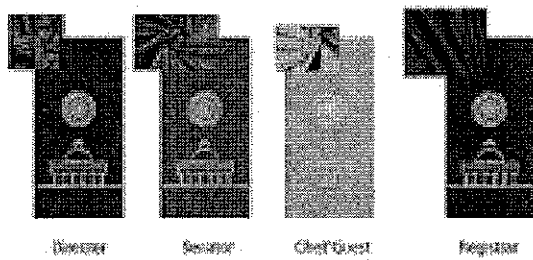

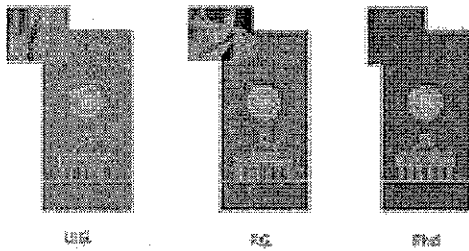

A student poll was set to get the choice of students for the proposed designs of kurta and uttariya.

Option 1

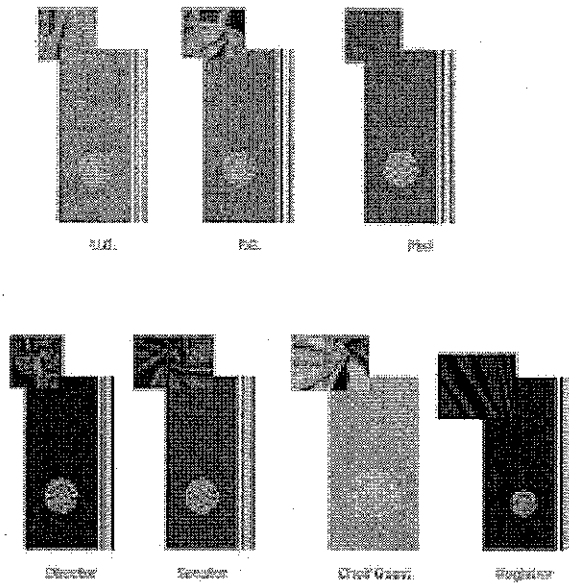

(a) Option -1 for Uttariya

Option 2

(b) Option -2 for Uttariya

Option 3

(c) Option-3 for Uttariya

Figure 2: Design options for Uttariya/angvastra/Stoll

The poll results were as follows:

1. Boys Kurta – Design 1
2. Girls Kurta – Design 1
3. Uttariya – Option 2

The SAC representatives also conveyed that response was received from the students wherein they expected more designs for the convocation outfit.

At this point the students of Design Studio, represented by MrVaibhavRawat, Secretary Design Studio, came up with more designs of the outfits (kurta) to be presented to the students. It was decided to float the new designs along with the already chosen design and get the response from the students. It was also decided to float the idea of pyzama / Churidar as an alternative to pant/trouser which may go good with the new designs of kurta.

The new designs floated to the students are shown in Figure -3. The response of the poll was:

1. Boys Kurta – Option 3 of new designs
2. Girls Kurta – Option 1 of old design
3. Uttariya – Option 2 of old design

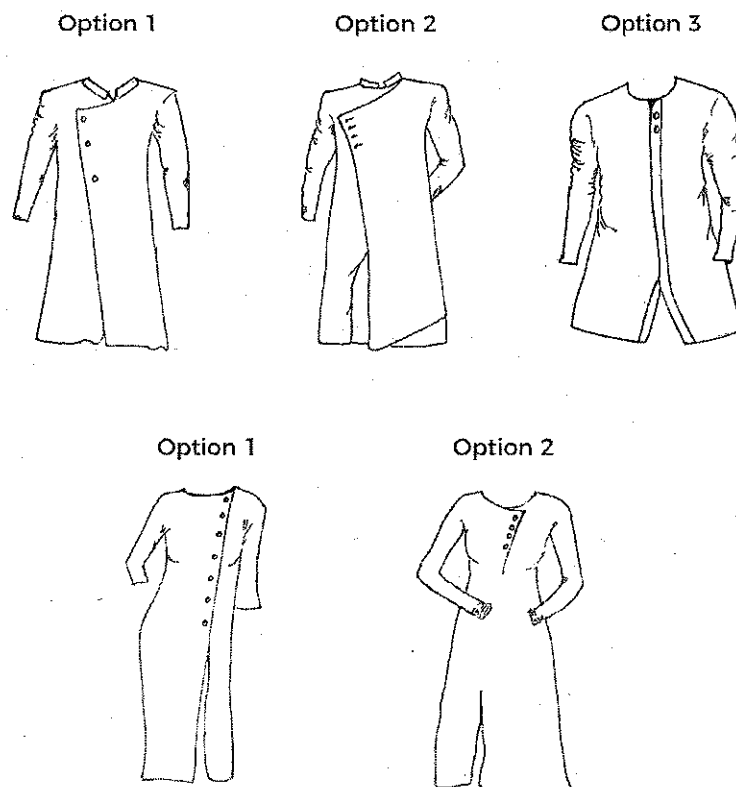

Figure 3: New designs of Kurta submitted by Design Studio

The committee, during the ongoing process of finalization of dress design, contacted the cloth merchants in the city to get an idea of cloth material which may suit the kurta for both boys and girls. Various options of cloth material considered were:

1. Cotton
2. Raw Silk
3. Linen
4. Satin
5. Tussar Silk

The usability of the material with respect to the climate condition, the preservice of cloth regarding wrinkles during the programme, and the cost of the material and kurta after stitch were considered before arriving at the final decision on the material. The silk options got eliminated due to cost issue as the kurta after stitch may cost more than Rs 1000, and the satin option was eliminated considering the possible sweating and sticking property of cloth to the skin due to friction. Pure linen was also ruled out due to cost constraint. Pure cotton was ruled out due to higher possibility of wrinkles. This left the committee with the following options of cloth material:

1. Cotton Mix
2. Linen Mix

The two cloths procured as sample from the market were Cotton-Satin mix and Linen-Cotton mix. It was decided to get the kurtas stitched for both boys and girls to see the possible fit and the look of the kurtas. The selected designs were made available to the local tailors to prepare the kurtas.

Regarding the dress code for senators and dignitaries on the dais it was decided that:

- The dress should be simple and no extra effort should be required by the faculty to procure it.
- It can be defined as plain light colour and full sleeve shirt with dark colour trouser /pant and black colour shoes for men. Choice regarding neck tie is left for personal decision.
- It can be defined as plain light coloursaree with broad borderand matching blouse, and footwear as per convenience for women

In the meantime the design of uttariya for senators and other dignitaries on dais was re-looked to make it more distinguished and different then the students'. A sample design is shown in Figure 4.

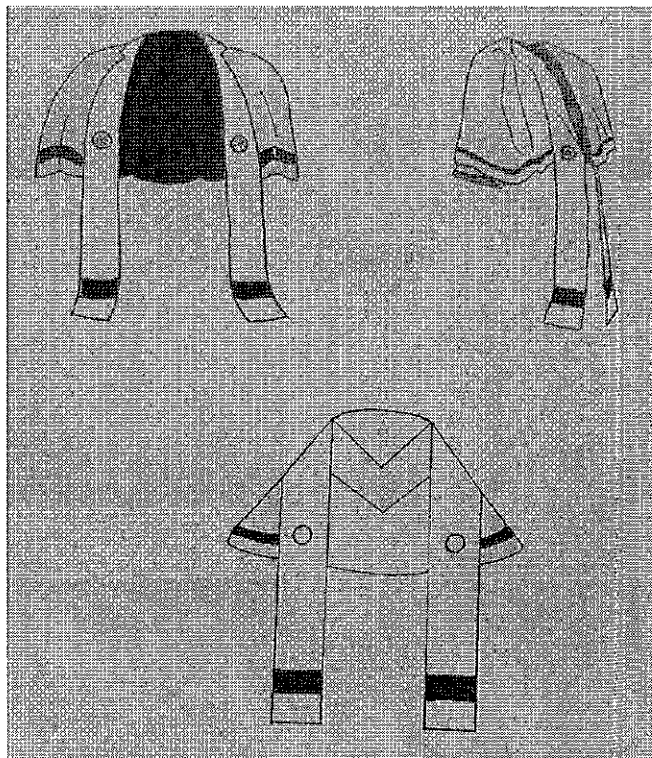

Figure 4: Sample design of Uttariya for Senators and Dignitaries

Colour codes for uttariyas were also decided as follows:

(A) Degree Recipients:

- | | |
|--------------------------|---------------|
| a. PhD degree | Scarlet |
| b. M. Tech/M.Arch./MURP | Navy Blue |
| c. M. Sc. | Red Brown |
| d. MBA | Greenish Grey |
| e. B. Tech / IMT/IDD/IMS | Light Blue |
| f. B. Arch. | Yellow |

(B) Dignitaries on Dais:

- | | |
|-----------------|----------------------------------|
| a. Chairman BOG | Maroon with wide golden border |
| b. Director | Maroon with narrow golden border |
| c. Chief Guest | Purple with matching border |
| d. HonorisCausa | Royal Blue with golden border |
| e. Senators | Seaweed Green with Navy Blue |
| f. Registrar | Black with golden border |
- Uttariya of senators will have one-fourth back fall stitched with uttariya in golden shade matching with the colour code.

The stitched kurtas were examined for material and design after it was wore by students. Following was decided based on the look of kurta and student:

1. Girls' kurta shall be in Linen-Cotton mix material with the design as selected.
2. Boys' kurta shall be linen-Cotton mix material with alteration in the design as follows:
 - a. Neck should be included as given in girls' kurta
 - b. Bottom cut given at the front should be short, of the size as side cut
 - c. It should have opening only upto three buttons from top and rest of the strip shall be stitched from the side without buttons inside. Two buttons as presently given will remain as such.

The material selected for uttariya was:

1. Students' uttariya - Dupion silk
2. Senators' and dignitaries uttariya - Velvet

Item No. 70.5 : To report the status of Research Awards.

The number of nominations received for most of the Research Awards has been quite small, for the last several years. As a result, many of the awards are not getting awarded, year after year, or being awarded with little competition, thereby affecting the standing of these Research awards. This year also the trend was similar. The Director has constituted a committee consisting of Prof. C.S.P. Ojha, Head of Civil Engineering, Prof. D.C. Srivastava, Head of Earth Sciences, Prof. M Parida, Dean SRIC and Prof N.P. Padhy, Dean of Academic Affairs to review the way these awards are being administered, and make suitable recommendations in this regard.

While the report of the committee is still awaited, it has come to light that the current processes related to these awards are different from what was approved when the matter was considered by an appropriate body the last time i.e. by the Syndicate of University of Roorkee in 1991. For example, the Khosla National award was supposed to be given only once in three years, while two Khosla Research Awards, four Khosla Research Prizes and two Khosla Research Commendation Certificates were to be given every year. But in recent times, the Khosla National award is being given every year and the remaining three are not being announced. Similarly, the present constitution of the Judging Committee and the Governing Body is different from what was approved by the Syndicate. These changes have not been reported, in the appropriate bodies of the Institute.

The matter will be placed before the Board of Governors for its consideration.

The above is reported to the Senate.
