**Item No. 82.1: To consider the conduct of the upcoming Autumn Semester 2020-21 and its Academic Calendar.**

A joint Webex meeting of IAPC 87<sup>th</sup> (emergency) and Academic Calendar Committee was held on 23.06.2020 to consider the strategy for the upcoming Autumn semester and its Academic Calendar.

The recommendations are as under:

1. Academic registration for all new and existing students be carried out online.
2. Online Teaching may be adopted for the semester wherein lectures and teaching material be shared with the students. It also suggested to explore the possibility of using a common online teaching software across the institute.
3. Online/offline doubt clear sessions be conducted as per the timetable.
4. MTE not to be conducted and subsequently the mid-term break not to be given in this semester. However, continuous online evaluation through assessments, quizzes etc to be carried out.
5. The ETE for all the students to be carried out in offline mode during the end of Jan 2021.
6. The IAPC also suggested that departments may plan reshuffling/shifting of lab/ practical based courses of autumn semester to spring semester and the recommendation to be placed in the subsequent meeting of the IAPC.
7. The proposed Academic Calendar is at **Appendix A**.

The issue is placed before the Senate for consideration and approval.
